**Dean of the Faculty of Agricultural, Life & Environmental Sciences**
**University of Alberta**

斯坦福·布雷德博士
农业，生命与环境科学学院院长

阿尔伯塔大学

Ranked in the top 100 universities in the world for agriculture and forestry, and environmental sciences, the University of Alberta's Faculty of Agricultural, Life and Environmental Sciences (ALES) is proud to turn science into solutions. We do this by conducting high-impact research while teaching the next generation of leaders.

ALES is a faculty that integrates a varied set of disciplines—from agriculture, forestry and environmental sciences to agriculture/food business management, and resource economics. Diversity is our strength. It allows us to look at problems from many different perspectives while conducting research that is of importance to society, industry, and policy makers.

Students benefit from our faculty's expertise. Provided with an outstanding experience that blends traditional classroom and experiential learning, students have access to some of the most comprehensive agricultural and environmental infrastructure—crop, rangeland and livestock research stations and world-class laboratories—that enhances learning.

农业，生命与环境科学学院（简称ALES）是排在世界前百名（尤其在农业，林业与环境科学领域）的阿尔伯塔大学的一部分。以用科学来解决问题是我们的特色；我们为此而自豪。我们的成就是通过开展具有深远影响的科学研究和培养新一代的领导者， 我们的学生，来取得的。

农业，生命与环境科学学院是一个融合多学科的综合性学院：我们的学科包括农业、林业和环境科学，农业商业管理，食品安全，以及资源经济学。多元化是我们的强项；多元化促使我们从多个角度来来看待问题和研究对社会、产业、和政策制定者共同面临的至关重要的课题。

学生们能从我们学院的长足领域中受益良多。通过传统的课堂教学与体验式学习相结合的教学方式将为学生们提供最佳的学习体验。学生们将有机会接触最综合性的农业与环境基础设施：农场、牧场、家畜研究站以及世界级实验室，以获得更好的学习体验。

**I invite you to join us for the ALES Summer Program to experience the University of Alberta and the Faculty of ALES.**

我欢迎你加入我们*ALES*暑期学习班，来体验阿尔伯塔大学和我们农业，生命与环境科学学院。

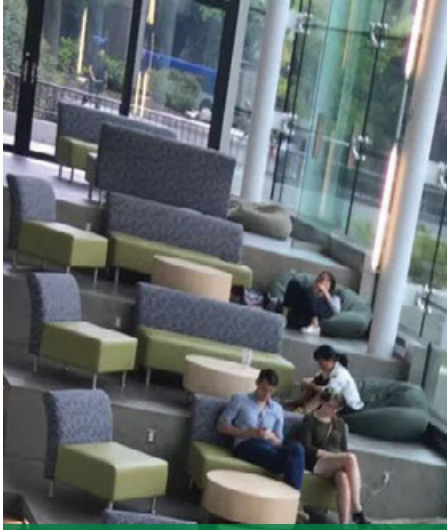
# Introduction to the ALES Summer Program
# ALES 暑期项目介绍

The University of Alberta Faculty of Agricultural, Life and Environmental Sciences (ALES) Summer Program is a four-week academic program for international students wanting to study at a top university, while improving their English language skills and learning more about Canadian culture and practices.

The program provides the opportunity to take two courses. Students attend classroom lectures and participate in field trips related to the lecture topics. Students also have time for fun and exploration. The ALES Summer Program incorporates numerous social activities including some very Canadian activities, like curling and playing Canadian football!

Canada is known for its majestic Rocky Mountains and students will have the opportunity to experience its splendour with an optional trip to Banff National Park.

**We hope you can join us this summer and we look forward to welcoming you to the University of Alberta and the Faculty of ALES.**



## What is Included?

- Tuition
- Accommodations
- Transportation to and from the airport
- City tour
- Field trips
- Social activities
