THE ALBERTA HERITAGE FOUNDATION FOR MEDICAL RESEARCH

is delighted to announce the results of this year's biomedical and health research senior personnel awards competition.

APPROXIMATELY \$53 MILLION has been approved for personnel awards following recommendations from peer review advisory committees according to the highest international standards of excellence. The awards, for up to five years in duration, are offered to 63 outstanding researchers, some of them already working in the province and others to support new recruitments to Alberta universities from the U.S. and abroad.

THE YEAR 2001 awards bring the cumulative total of AHFMR funding over the past 21 years in the province of Alberta to more than \$650 million.
