

Announcing the Hope Book Club For Readers of All Grades and All Ages

Just choose a book, read it and tell us about how it is about hope and/or hoping.

All we need is the title, author, a short review (3 or 4 lines) that tells how the book made you think about hope, hoping or how it might influence someone else's hope when they read it.

Every time you send us a review your name will be entered into a draw to win a Chapters gift card!

You can email your entry to us or have your teacher or a parent send it to: hopekids@ualberta.ca
