# Take Care: Mid-Career Stretch

Facilitated by Rev. Dr. Andrew Irvine

at Star of the North Retreat Centre  
in St. Albert, Alberta

## May 4–6, 2010

Presented by

The Centre for Clergy Care  
& Congregational Health

In partnership with

St. Stephen's College

the Centre for  
Clergy Care &  
Congregational  
Health

Sponsored by the Beatty Ryckman Trust

## ***Mid-Career Stretch!***

We all need time - time to dream dreams and have renewed vision. When was the last time you had opportunity to dream and imagine what could be?

Research has shown that as clergy approach the decade mark in their ministry, a time of reflection and refocus is often needed. The sparks of newness have faded and the finish line seems far off. Issues of mid-life begin to creep in. The Centre offers this event for ordered clergy and diaconal ministers, and designated lay ministers in their 8<sup>th</sup>, 9<sup>th</sup> or 10<sup>th</sup> year of pastoral ministry or in the midst of their mid-life years.

Come and experience time with colleagues, consider your journey and equip yourself to continue with renewed vitality and self-awareness!

### **Event Facilitator**

Andrew Irvine is the Director of the Centre for Clergy Care and Congregational Health and the Toronto School of Theology's Doctor of Ministry program. Andrew also teaches Pastoral Theology at Knox College.

Andrew's interests include issues of leadership and pastoral ministry, the well-being of clergy, congregational studies and small church ministry.
