## THE FIRST BLACK FRIDAY

In those days a decree went out from Emperor Augustus that all the world should enjoy unprecedented savings on all their favorite brands. This was the first Black Friday and took place while Quirinius was governor of Syria. All went to their own towns to find their discounts.

Joseph also went from the town of Nazareth in Galilee to Judaea, to the city of David called Bethlehem, because he had his eye on a new laptop. He went to be registered at Target with Mary, to whom he was engaged and expecting a child.

When they were there, the time came for her to deliver her child. And she gave birth to her firstborn son and wrapped him in the latest styles from Old Navy, and laid him in a shopping cart, because they were waiting in line to get into Walmart. (Courtesy of Adam Kotsko)

## THANKS!

100% of parishioners were able to provide a CampusReady pass or proof of vaccination last weekend. That's amazing. Thank you, all.

## D&P: PEOPLE AND PLANET FIRST

A major focus of Development and Peace-Caritas Canada's PEOPLE AND PLANET FIRST campaign is advocating for a law that compels Canadian companies to respect the human and environmental rights of local populations in their overseas operations. This fall, acting in solidarity with our sisters and brothers in the Global South, thousands of Canadians signed a petition asking the Canadian government to enact such a law.

On behalf of all those who struggle to preserve their land, lives, livelihoods and lifestyles, D&P-Caritas Canada thanks you for your commitment and mobilization. Together, we act in solidarity with the protectors of the Earth; together we have the power to change lives.

To sign the petition and put PEOPLE AND PLANET FIRST, visit <https://devp.org/en>
