DEVELOPMENT & PEACE/CARITAS CANADA

Pope Francis calls us to hear "the cry of the earth and the cry of the poor. (Laudato Si', 49). But all too often these cries are silenced by powerful companies that violate our sisters' and brothers' rights by plundering resources on their land without their consent. Let's ensure that Canadian companies cannot do this with impunity. Let's stand in solidarity with our partners in the Global South who defend human rights and the Earth.

Sign our petition calling on Canada to adopt a due diligence law that would require its companies to respect human and environmental rights in their overseas operations.

Sign the petition at: devp.org/act. For only \$10 become a lifetime member of D&P at: devp.org/joinus to act in solidarity with the communities whose struggles for a more just world we support. Learn more at: devp.org/campaign or contact tim.hartnagel@ualberta.ca
