THIS WEEK ON FORMED

Here is some of the new programming this week on FORMED. Instructions on logging on to our FORMED account is in the side bar.

The Story of Death – Eternal Rest – Episode 1

Where did death come from? What does it mean for the human person? Is it simply part of life, or is it something else? In this session we discuss how God defeated death by dying and rising from the dead.

Living Lent as a Family (Part 2 of 4)

Dr. Ben Akers sits down with Keenan and Bri Fitzpatrick, parents of four, to discuss liturgical living during Lent and marks of the Christian home in our world today.

DEVELOPMENT & PEACE/CARITAS CANADA

Colombia is home to nearly 10% of the planet's biodiversity, yet it is also one of the most dangerous countries for people defending their land and territory against exploitation. From 2018 to 2022, 957 community leaders and human rights defenders were assassinated. Countless others continue risking their lives to defend their territory against ecological, social and cultural harm from industrial agriculture and mining projects. They stand up to those who would deny them their livelihoods, traditions and their relationship to the land in the name of profit.

Development & Peace's partner, the Peasant Association of Antioquia (ACA), supports peasant communities affected by armed conflict in defending their lives and territories, empowering communities to influence public policies, and in building a culture of peace through filmmaking and art.

This Lent, meet our solidarity visitor Raquel Soto, a participant in ACA's documentary filmmaking school. Learn more at devp.org/lent.
