

*Molecule to Market: Biotechnologically-derived
molecules versus traditional small chemical entities.*

CSPS 7th Annual Symposium

Dinner & Awards 2004

Music by Scott Hughes, Harpist

Friday, June 11th, 6:00 p.m., Sheraton Vancouver Wall Centre

CSPS Career Award

1. Antoine A. Noujaim, PhD.

Professor Emeritus, Faculty of Pharmacy & Pharmaceutical Sciences, University of Alberta

The global arena of pharmaceutical sciences knows of Dr. Noujaim's contributions in the fields of radiopharmaceutics and biotechnology. His outstanding and continuous contributions in these fields are the basis for this special award.

1

CSPS Award Of Leadership 2004

2. Theresa M. Allen, PhD.

Professor, Faculty of Medicine & Dentistry, University of Alberta

Dr. Terry Allen was selected for her significant contributions in the field of anticancer drug delivery using targeted liposome technology.

3

CSPS/GlaxoSmithKline Early Career Award 2004

3. Lucie Blais, PhD.

Professeure adjointe, Faculté de pharmacie, Université de Montréal, and

4. Brian Cairns, PhD.

Assistant Professor, Faculty of Pharmaceutical Sciences, British Columbia

These two early career scientists extend from the disciplines of pharmacoepidemiology to neuropharmacology respectively. The accomplishments they have made already in these fields bode well for the future of this research in Canada.
