Note: regarding the content below for Modules 1-7 and 10-12 only the Class Slides are available here. These provide a summary of the content for the Module. I am not providing the Class notes for these modules at this time since they are too close to a related book which I am hoping to update and get published soon. If you would like to review the draft book or part of it to provide me with constructive feedback let me know by email: pflaman@ualberta.ca
