The University of Alberta respects the sovereignty, lands, histories, languages, knowledge systems, and cultures of First Nations, Métis and Inuit nations.

The University of Alberta, its buildings, labs, and research stations are primarily located on the traditional territory of Cree, Blackfoot, Métis, Nakota Sioux, Iroquois, Dene, and Ojibway/Saulteaux/Anishinaabe nations; lands that are now known as part of Treaties 6, 7, and 8 and homeland of the Métis.
U of A helps create future innovators, leaders and world shapers.

Let us get you started! At the University of Alberta, you will explore ideas that excite you, connect with people who inspire you and make discoveries to lead you to a fulfilling career. Everyone here is committed to helping you succeed.

After all, we know you’re capable of big things. Great things. Scary things! Because that’s how the U of A started over 100 years ago — with students who didn’t have all the answers, but were ready to do whatever it took to find them.

Today, we continue that legacy, seeking out challenges so we can create change. We collaborate and integrate. We overcome barriers so our ideas can collide and grow. Together, we lead with purpose — and we’d love for you to join us.
DISCOVERY IS IN OUR DNA

HOW TO BUILD A BETTER FUTURE

Amazing Mentors
Learn from the best and work alongside them in their research labs or participate in their field studies. Our award-winning professors are committed to developing and supporting the next generation of free thinkers and innovators — like you!

Renowned Facilities
Some of the world’s most advanced research facilities call the U of A home. The Canadian Ice Core Lab is studying over 10,000 years of climate change, while our artificial intelligence labs are creating smart bionic limbs.

Hands-On Opportunities
From your very first year you can participate in groundbreaking research with the Undergraduate Research Initiative (URI). Get real-world experience with fieldwork, or lead the way with self-directed summer projects. uab.ca/URI

Then, see it all come to life at the Festival of Undergraduate Research and Creative Activities (FURCA) where we celebrate the remarkable work you’ve been doing. Whether you are focused on the impact of the opioid crisis, or you are looking for ways to eliminate fossil fuels — FURCA is the place to present and discover! uab.ca/furca

LEARN BY DOING

Our graduates are ranked in the top 100 globally for employability after graduation!

Do you love the thought of giving back while drawing real connections to social issues? Community Service-Learning (CSL) gives you real-world experience in the nonprofit sector with a placement with a local organization — we have over 220 from which to choose! uab.ca/csl

Do you love the thought of giving back while drawing real connections to social issues? Community Service-Learning (CSL) gives you real-world experience in the nonprofit sector with a placement with a local organization — we have over 220 from which to choose! uab.ca/csl

740 COLLABORATION AGREEMENTS ACROSS 84 COUNTRIES
67th GLOBALLY IN FACULTIES RANKING
2nd LARGEST RESEARCH LIBRARY IN CANADA
YOUR IDEAS CAN TRANSFORM INTO PROJECTS, INITIATIVES, AND VENTURES — ALL WHILE YOU PURSUE YOUR DEGREE

Learn. Launch. Lead.
With help from organizations like eHUB, group projects have turned into game-changing products right here at the U of A!

Trade a Classroom for a Makerspace
Our one-of-a-kind maker spaces allow our doers to do, our tinkers to tink, and our creators to create:
• Student Innovation Centre
• The Elko Engineering Garage
• Printmaking and design studios

Connect With Employers
Let us help you build your work experience and resume with an internship, job shadowing, and career mentoring opportunities in virtually any field through:
• The U of A Career Centre
• Transition to Career (T2C)
• Co-ops, practicums, and internship opportunities in every direct-entry faculty

Make a Difference
If you love the thought of giving back to the community while drawing real life connections to social issues, look into Community Service-Learning (CSL). You’ll gain hands-on experience in the non-profit sector by choosing a placement with a local organization. You can also add a Certificate in Community Engagement and Service Learning to your degree when you complete more than one CSL course. uab.ca/csl

“Recently became president of the Political Science Undergraduate Association, and served in the past as VP External, which had an all-women of colour executive team. I also joined Women Empowering Women (WEW) as an internal committee member and now run and co-host a podcast called WEWchats, focused on empowering conversations with empowering women. My advice to other students is to take up as much space as you can, because your voice matters!”

HERMON
INTERNSHIP STUDENT
Hermon is a third-year political science and international studies student pursuing a certificate in peace and post-conflict studies. She co-founded and is co-captain of the undergraduate moot court team on campus, and is a Sustainable Development Goal Hub cohort member of the Alberta Council for Global Cooperation and current fellow in the 1834 Fellowship.

Co-op programs and work experience
Many faculties and programs at the U of A offer paid co-op programs or work experience placements — letting you obtain practical experience while you earn credit towards your degree. U of A co-op and work placement partners include businesses ranging in size from 5 to 50,000+ employees, government at all levels, research laboratories, and non-governmental organizations.

Participating in co-op work programs, work experience placements, or academic internships has been shown to make graduates more attractive to employers, and to receive higher starting salaries!

Life-Changing Mentors
Our award-winning professors are committed to developing and supporting the next generation of free thinkers and innovators — like you! Work alongside these leaders in research labs and field studies.

Famous Facilities
Some of the world’s most advanced research facilities call the U of A home, including the National Institute of Nanotechnology (NINT), which specializes in nanoscience research.

Space to Stretch Limits
Trade the classroom for a makerspace! North Campus includes spaces like the Student Innovation Centre, Elko Engineering Garage and the printmaking and design studio.
Supporting Your Journey

The International Services Centre (ISC) is home to International Student and Visitor Services, Education Abroad, Global Education and the Visiting Programs. International Student Services provides international students with the resources to help them adjust to life at the U of A, and in Canada.

International Student Services

Coming to Canada to study at the U of A will be an adventure, and with every adventure comes questions. Where will I go if I need advice? Will I meet other students on campus? What happens when I arrive at the airport in Edmonton? Our International Student and Visitor Services team provides services, events, and programs that can help you accomplish your academic and personal goals. These international experts are ready to coach you towards a successful university experience. uab.ca/iss

Get Recognized

Global Education at the U of A offers the Certificate in International Learning—and as an international student, you already fulfill one of the completion requirements! uab.ca/cil

HERE FOR YOUR SUCCESS

GET INVOLVED ON CAMPUS — THERE IS LITERALLY SOMETHING FOR EVERYONE.

From the Anime Club to the Yarn Club, there are so many fun and diverse experiences here.

It All Starts With a ‘WoW’

Week of Welcome (WoW) is the best way to start off on the right foot and get involved. It’s a week of orientations, concerts, and a clubs fair where you find people that share your passion. For a full listing of student groups and clubs go to uab.ca/sg

Go Green and Gold

When we aren’t cheering on our varsity teams, you can find us seeking out events and celebrations unique to our community, like:

• Green and Gold Day
• Bar None Week
• Campus Cup
• AntiFreeze
• International Week
• Pride Week
• Round Dance and TAWOW

THE CITY THAT CELEBRATES DOING THINGS DIFFERENTLY

It’s hard to pinpoint what makes Edmonton so… Edmonton. It could be our entrepreneurial undercurrent, encouraging you to embrace your dreams and take a risk. It could be our sense of adventure — in any weather — where exploring and discovering are a part of daily life. It could even be our world-class festivals, enviable arts scene, or cultural celebrations like nowhere else that showcase how rich and diverse this city truly is.

Our North Campus is right at the heart of it all, steps away from a lush river valley that takes your breath away with each changing season. From here, you can take the train, grab a bike, electric scooter, or go on foot — and you’ll find unique shops, coffee houses, restaurants, and theatres just down the street or across the river from campus.

You’ll have years to get to know this city and find your favourite spots — here are a few to get you started:

- **3 HOURS TO THE CANADIAN ROCKIES**
- **325 DAYS OF SUNSHINE**
- **150km OF TRAILS**

**NORTH SASKATCHEWAN RIVER VALLEY**
Walk, bike, snowshoe, or canoe through North America’s largest urban park — it’s 22 times the size of New York’s Central Park.

**WEST EDMONTON MALL**
North America’s Largest Shopping Mall
20 minutes by transit

**ICE DISTRICT - ROGERS PLACE**
Home of our NHL Hockey Team and Edmonton’s Biggest Events
7 minutes by train

**WHYTE AVENUE**
One of Edmonton’s most vibrant districts
10 min walk

**ΔΠ+ (INIW) RIVER LOT 11∞ INDIGENOUS ART PARK**
Isoktew by Amy Malbeuf
15 minute walk

**WELCOME TO EDMONTON**

Amiskwacîwâskahikan

3 HOURS TO THE CANADIAN ROCKIES
325 DAYS OF SUNSHINE
150km OF TRAILS
COME TO CANADA AND DISCOVER THE “TRUE NORTH STRONG AND FREE” CELEBRATED IN OUR NATIONAL ANTHEM

A Country to Explore
Explore Canada: the second largest country in the world, home to friendly people and stunning landscapes.
From coast to coast to coast Canada has exciting cities and breathtaking natural beauty that will appeal to your adventurous side. The people of Canada are as interesting as the landscape - Canadians come from all over the world and celebrate multiculturalism by sharing their traditions and welcoming the traditions of others.

Prosper in Alberta
Alberta is recognized as having one of the strongest economies and highest living standards in the world. Albertans enjoy higher salaries than in any other province in Canada, as well as world-leading education and healthcare systems.
Canada is known as one of the top 10 countries globally for quality of life, and is one of the safest countries in the world.

A Canadian Career After Graduation
After graduating from the U of A, you may be eligible to stay and work in Canada for up to three years with the Post Graduation Work Permit. Living and working in Canada provides opportunities to apply for permanent residency.

Did You Know?
U of A’s International Student and Visitor Services offers support with pathways to Canadian permanent residency. Learn more at uab.ca/iss

EXPLORE THE ROCKY MOUNTAIN PARKS
Located a few hours away from Edmonton is Canada’s world famous Banff National Park. Experience stunning peaks, beautiful lakes, and ancient glaciers.
OUR MAIN TEACHING CAMPUS IS A CAMPUSS OF CONTRASTS

With 150 buildings occupying over 50 city blocks, it’s truly a city within a city. Yet it is also on the edge of a natural river valley. It’s a classic academic setting steeped in over 115 years of history, yet also home to some of the most advanced research, technology and teaching facilities in the world. Light Rail Transit (LRT) connects North Campus to the downtown core, or just two stops in the other direction, to South Campus — home to our agricultural research facilities, and our athletics teams. Come and tour campus in person or take a 360° video tour at uab.ca/tours to see what life is like here.
WHAT’S IT LIKE TO LIVE ON CAMPUS?

LIVING ON CAMPUS CAN LEAD TO A HIGHER GPA (AND PROBABLY MORE FUN)

First-Year Residence
Meeting your floormates, making your space your own, and creating those lifelong friendships through clubs, sports, study groups and all kinds of fun, that’s what residence is all about. Lister Hall, on North Campus, is our traditional first-year dorm, home to 2,300 students across five towers.

First-year students are guaranteed a room if you apply by April 30

Meal Plans. Because you Want to Eat, Not Cook.
Lister and Peter Lougheed Hall residents choose a meal plan as part of their accommodation cost, so you can focus on your studies rather than meal planning, shopping, and washing dishes.

Begin at Basecamp.
Moving out on your own and starting university are two big life changes — attending BaseCamp will help you make this transition. A week before classes start, you’ll move in, meet your floormates, get to know the campus, and explore the city. It’s more than an orientation, it’s a head start on how to excel as a first-year student.

Take a virtual tour at uab.ca/residence

ISABELLA
NORTH CAMPUS RESIDENT
Isabella has lived in multiple Residences across campus with her emotional support cat, Tofu, and found her purpose working as a Residence Assistant, a Wellness Ambassador, and Head Storyteller.

I moved into Residence for my first year of university and I loved that it gave me independence, freedom, and ease to experience student life while living on campus. I have met an amazing and diverse group of friends during my three years already and can’t wait to meet more. Because you’re living in such a tight-knit community, it’s really easy to make meaningful connections.”
Francophone Focus
Want an immersive cultural experience of learning in French? As the only French-language university and college campus west of Manitoba, Campus Saint-Jean is helping to reinforce Canada’s linguistic duality right in the heart of Edmonton.

Central Edmonton
In the heart of Edmonton’s francophone Bonnie Doon neighbourhood is Campus Saint-Jean. Enjoy the immersive environment of learning in French while still being able to easily access all the amenities of North Campus by taking a free 10-minute shuttle ride.

Résidence Saint-Jean
Welcome to a unique crossroads of academic, linguistic and cultural life in Edmonton’s vibrant French Quarter. Résidence Saint-Jean features historic architecture; no two rooms are alike, and each one is private. Even better? First-year students have a guaranteed spot in residence!

Forget what university should be — think about what it could be. Augustana focuses exclusively on undergraduate education, multidisciplinary program majors, a non-traditional academic calendar and hands-on learning. That means learning is meaningful, immersive and a bit more unexpected!

A welcoming campus with a tight-knit community, we pride ourselves on providing a top tier education with a supportive environment.

Camrose, Alberta
A one-hour drive from Edmonton will bring you to Augustana Campus in Camrose, Alberta. Steps from campus, students can explore the vast trail network and historic downtown core. From cross-country skiing and disc golf to local shops and restaurants, Camrose delivers the perks and convenience of a city balanced with the security and serenity of a rural way of life.

Residence at Augustana
Most first-year students live on campus, where they enjoy easy access to their classes, professors and university activities. Augustana housing provides dorm-style accommodations, a diverse and engaging environment, and a full meal plan with a variety of locally-sourced food options.
Applying to university doesn’t have to be complicated — visit uab.ca/apply for answers to frequently asked questions and videos to guide you through the application process.

1. CHOOSE YOUR PROGRAM(S)
   Explore and compare program and campus options, take our personalized program quiz, review program requirements and check your eligibility — all in one place: uab.ca/programs. You can also visit uab.ca/averages for admission average range trends.

2. SUBMIT YOUR APPLICATION
   You can apply to the U of A starting October 1 of your final school year. As part of the application process, you will need to upload your grades for high school courses completed so far, along with your course registrations for your final year. uab.ca/apply
   Set yourself up for application success — watch our videos at uab.ca/apphelp.

   Apply for Scholarships
   After you apply for admission, you will receive a unique student number and a Campus Computing ID (CCID) you can use to apply for scholarships. The deadline to apply for scholarships and awards is January 10, 2024. uab.ca/awards

   Apply for Residence
   April 30 is the deadline to guarantee a spot in our first-year student housing. Apply on your application for admission, or at uab.ca/residence.

TIP: We recommend selecting two program choices as priorities on your application for the best chance of receiving an admission offer.

3. UNDERSTAND EVALUATION
   Admission to the U of A is competitive and ongoing. Some students can receive an admission offer as early as October. Where final grade 12 marks are unavailable, the final mark in the equivalent grade 11 course and grade 12 course registrations will be used.
   Note: Some programs may have additional requirements for admission, such as the Casper assessment.

4. CHECK YOUR STATUS
   After applying, you will have access to UAlberta Launchpad. Here you can check your application status, submit outstanding documents, update new final marks and review any checklist items for your program. We will also assign you a U of A email address to check for notifications or correspondence. uab.ca/aftapp
   If you haven’t been offered admission, that’s okay! You will have the opportunity to submit new final marks for re-evaluation.

5. ACCEPT YOUR OFFER AND APPLY FOR YOUR STUDY PERMIT
   Once you receive an admission offer, you must accept it and pay the tuition deposit by the deadline stated in Launchpad. Don’t forget to accept your residence offer as well! uab.ca/accept
   You should apply for your study permit for post-secondary studies as soon as you receive your admission offer. uab.ca/studypermit
   You will now have access to log into Bear Tracks with your student ID and CCID to accept offers for scholarships and awards. uab.ca/beartracks

6. REGISTER FOR COURSES
   Attend a Registration 101 Workshop
   Our advisors will help you navigate the course registration process and advise you on which courses to take. uab.ca/reg101
   Build a Draft Schedule
   Before course registration opens, you can prepare by building a draft schedule.*
   * You will receive access to build your timetable after accepting your offer.
   Get Registered
   Course registration will open in early April. Be among the first to select your classes by accepting your admission offer.

KEY DATES IN 2024

| March 1 | Deadline to apply for most programs |
| May 1   | Deadline to accept admission offer (unless otherwise stated) |

YOUR FUTURE

SCHOLARSHIPS AND AWARDS

The University of Alberta awards more than $46 million each year in undergraduate scholarships, awards, and financial support to all kinds of students. Apply early to your program so you can be assessed for awards. View all entrance awards at uab.ca/awards.

ADMISSION-BASED

Receive a scholarship without even applying! Eligibility for these scholarships is based on your admission average at the time of your admission offer. Apply to your program early so the U of A can assess you for a match to the following awards:

International Admission Scholarship
Top students could receive up to $5,000 CAD, depending on admission average.

Regional Excellence Scholarship
Top students from certain regions could receive up to $5,000 CAD, based on admission average.

Gold Standard Scholarship
The top 5% of students in each faculty could receive up to $6,000 CAD, depending on admission average.

APPLICATION-BASED

Fill out a single application, and the U of A will assess you for our entrance scholarships and awards. The deadline to apply for application-based awards is January 10, 2024, and you must apply to your program first.

President’s International Distinction Scholarship (25 Available Each Year)
Students with a superior admission average and demonstrated leadership qualities entering their first year of an undergraduate degree on a Student Visa Permit could receive up to $120,000 CAD (payable over 4 years).

International Leader Scholarship
Well-rounded leaders with superior academics may receive up to $15,000 CAD.

Your admission comes with a tuition guarantee. As an international student at the U of A you will know the total tuition for your program when you receive admission.

Tuition guarantee details
Your tuition guarantee only applies to the standard requirements, including electives, necessary to complete your program. It does not include any mandatory non-instructional fees or other costs such as the U-Pass, textbooks, residence fees, student associations, etc. It also does not include the cost for any courses you choose to take as extra or that need to be repeated due to withdrawal or failure.

If you choose to take Spring/Summer courses, your total program tuition will remain the same however your annual total will increase for that year.

Your tuition guarantee is set for the typical duration of your program plus one year. Typically programs are four years, therefore the guarantee would be in place for five years.

Should you require a fifth year of study to complete your program requirements, you will not face additional tuition costs in that fifth year. If your remaining courses exceed your program requirements, you will pay per course. In either case, payment for mandatory non-instructional fees in the fifth year will be required. If you have outstanding program requirements to complete after five years you will be required to pay for those remaining courses, individually, at the current rate in that academic year.

If you change programs at the University of Alberta your original guarantee will no longer be valid, and you will receive a new guarantee for your new program.

In the event of a discrepancy between the tuition amounts displayed in this publication and your University of Alberta Offer of Admission, the Offer of Admission shall be taken as correct.

Read the full details of the guarantee at uab.ca/interest

### Previous Education in English

> **Notes**
> 1. Admission to the University of Alberta is competitive. Five admission subjects are required for most curricula, and will vary based on your choice of program.
> 2. To be considered for conditional offers, students will need to submit board results for Class X and predicted grades.
> 3. Students need to present five admission subjects, a combination of IB and local curriculum, and will vary based on your choice of program. For more information, please visit [uab.ca/ibint](http://uab.ca/ibint).

Get in Touch With an Advisor
Designed to help answer all of your questions—from applications to awards—you can meet with a general advisor to discuss program options, admission requirements, and the application process. Or, choose a faculty advisor to chat with specifically about your program of interest. uab.ca/advising

Unibuddy
Want to know what it's like to study at the U of A? Ask a current Student Ambassador! Sign-up for our Unibuddy platform to filter and find the perfect person you would like to message about their university experiences. Our ambassadors aim to respond within 24 hours of receiving your message, but being a student gets busy so please be patient with them.

WE CAN'T WAIT TO MEET YOU!
