WE BUILD BRIGHT FUTURES
We’ve spent more than 110 years honing our skills in producing the leaders, researchers, and humanitarians of tomorrow.

WE LIKE YOUR WORK
You started it all off by nurturing and encouraging their curiosity — keep doing it! University can be a transformative experience, and you can empower your student to get the most out of it by making smart choices. We think that choosing to study at the U of A is a great start!

WE WANT STUDENTS TO DISCOVER
Programs with a general first year of study give your student time to discover their aptitudes and interests. It’s also quite normal for students to change majors and programs during their degree. Encourage them to explore their options and keep an open mind. Students can start by taking our program quiz. uab.ca/programs

START WITH A SCHEDULE
Students can maintain a manageable workload by building study time and breaks into their schedules, staying on top of their assignments, and accessing available supports.

40+ HOURS / WEEK student worktime

20 HOURS / WEEK attending lectures & labs
20+ HOURS / WEEK studying & assignments

PRE-EMPT THE PRESSURE
University can be a big leap for students, given the significant investment of time, money, and effort. Students must also juggle the expectations of parents, professors, and even themselves. Start the discussion now about finding balance.

“We believe the University of Alberta, with its excellent academic staff and diverse student culture, motivated Anthony to reach his greatest potential and prepared him to successfully kick-start his career as a young engineer.”
WE ARE A TOP CHOICE
We are one of the Top 5 universities in Canada and Top 100 in the world.

WE’VE GOT A CAMPUS FOR THAT
North Campus has over 150 buildings that span more than 50 city blocks — but despite its size, it manages to retain a small-campus feel. Students can also choose to study at one of our two other teaching campuses:
• Campus Saint-Jean, our francophone campus
• Augustana, our Camrose campus

WE HAVE POSSIBILITIES
Students have their choice of a wide range of programs to fit a variety of career aspirations, including 200+ undergraduate programs across 16 faculties. We also encourage students to take part in co-ops, internships, and research.

The U of A ranks in the top 90 universities in the world for research output and impact.

THEY CAN MAKE IT THEIR OWN
We want your student to have an enriched and immersive learning experience, as unique as they are. From study-abroad opportunities, to Honors and Certificate programs, to work experience programs, there are hundreds of ways that students can tailor their degree to their interests.

WE’VE GOT EXPERTS
We think applying to university should be easy, so we are here to help. We’ll put you in touch with faculty and general program advisors, and we also offer admissions advising at events and online throughout the year.
WE’LL SET THEM UP FOR SUCCESS

University is a life-changing experience that will expand your student’s horizons and set them up for a lifetime of success.

WE’RE JOINERS

Urge your student to get involved outside the classroom. It’s one of the best ways for students to become more engaged and connected with their peers, and to continue to build a support system.

Students can choose from more than 400 groups and clubs on campus! uab.ca/sg

WE’VE GOT SUPPORT

From tutoring and academic advising, to health care and mental wellness, to business and mentorship networks, student success at the U of A is everyone’s goal. Here are some of the resources available on campus:

• Academic Success Centre
• First Peoples’ House
• Peer Support Centre
• Physician and pharmacy services
• Student Connect
• University of Alberta Career Centre

HOME AWAY FROM HOME

Your student will thrive in Edmonton — one of Canada’s youngest cities! Our students easily access campus and the city with an unlimited transit pass for Edmonton, St. Albert, Strathcona County, and even the airport.

Living in residence is a great way for students to get a head start and build a support network. Lister Centre, on North Campus, is designed specifically for first-year students and offers many services to help them successfully transition to university life. uab.ca/residence

WE OFFER PEACE OF MIND

Campus is a safe and supportive learning environment — with measures like the University of Alberta Protective Services (UAPS) patrolling our campuses 24/7, a robust emergency notification system, and Safewalk service. safewalk.ca
FUNDING THEIR FUTURE
We have support to help fund your student’s education.

WE’RE HERE TO HELP
Our knowledgeable advisors provide financial advice at every stage of your student’s academic career — from scholarship advising to needs-based funding options, and year-round workshops. uab.ca/financialsupport

SCHOLARSHIPS & AWARDS
Your student could receive an award they didn’t even have to apply for based on their admission average alone. Otherwise they simply have to fill out one application and we will assess them based on background, experiences, academics, and interests. uab.ca/awards

PAYMENT OPTIONS & DEADLINES
There’s no need to miss a deadline — you can go online for information on when and how to pay university fees, like the $125 application fee, the $500 tuition deposit, and final tuition fees. uab.ca/ufees

TUITION & FEES
Costs will vary depending on the choice of program and living arrangements. The following estimate is based on a full course load in a general Arts program for 2020 – 2021; fees are subject to change.

ONLINE COST CALCULATOR
Create a personalized estimate based on program choice and living arrangements. uab.ca/costcalc

* For student services such as health and wellness, recreation facilities, and the U-Pass transit pass.
**Based on a shared room in Lister Centre for eight months, including a 5-day meal plan.
WE CAN SHOW YOU MORE

Come see for yourself what makes the University of Alberta the right choice for your student.

EVENTS

Open House
Join us on Saturday, October 19, for one of the most exciting days to visit Campus! You can browse 200+ program options, take faculty and campus tours, see demonstrations and presentations, speak to advisors, and find out about funding options. Students can plan their day online. uab.ca/openhouse

We bring our events to you
We travel across Alberta and Canada giving in-school presentations, advising students, and hosting events in your community and online. Find out when we’ll be in your neck of the woods. uab.ca/recruitmentevents

Family Orientation — July 2020
Join us for a day dedicated to you. Family Orientation is designed for parents, families, and students to learn about the transition to university. Learn about academic supports, stress management, skill development, and safety and security. uab.ca/orientation

SEE FOR YOURSELF

Campus Tours
Let us show you around! Our student-led tours will give you and your student an authentic perspective on student life and perhaps even some insider tips. Tours are available at North Campus, Augustana Campus, and Campus Saint-Jean. You can also sign up for a residence tour. uab.ca/tours

ADVISING
While you are on campus for a tour, why not add on advising? Students can get one-on-one general program and faculty-specific advising. These sessions are designed to help answer all of your student’s questions, from applications to awards. uab.ca/advising

Augustana Preview Days
Visit Augustana, our campus in Camrose, Alberta. Preview Days allow students and families to meet with admissions advisors, take a tour of campus, and enjoy lunch in the cafeteria. aug.ualberta.ca/visits
SUPPORT AT EVERY STEP

We provide several resources to help students transition from high school to university.

WORKSHOPS & RESOURCES

Registration 101 Workshops — Spring 2020
Our advisors help students navigate their online course registration, build their schedules, and provide advice on which courses to take. Students can sign up for in-person workshops available in multiple cities or attend one online. [uab.ca/reg101](http://uab.ca/reg101)

Student Loans 101 — Summer 2020
Your student can attend a Student Loans 101 workshop in-person or online and get expert advice on how to navigate the student loan system. Alberta residents will have a completed application at the end of the workshop! [uab.ca/loans101](http://uab.ca/loans101)

Orientation — September 2020
A one-day crash course on how to navigate the academic, administrative, and social sides of university. Students will meet their classmates, integrate into campus life, locate classes, and more. [uab.ca/orientation](http://uab.ca/orientation)

COMMUNICATIONS POLICY

Official correspondence regarding admissions and awards will occur online through our student portals, with key notifications sent via email. Few, if any, correspondence will be sent via regular mail. The university holds students responsible for ensuring messages sent to their student email accounts are reviewed and acted on promptly.

WE PROTECT THEIR PRIVACY

Official correspondence between the university and students is privileged. The university is unable, by law, to disclose students’ personal or academic information to anyone else, including parents and family members, without the student’s prior written consent — even if the student is under 18. [uab.ca/parents](http://uab.ca/parents)

The best way to stay informed is to subscribe to our monthly e-newsletter. [uab.ca/parents](http://uab.ca/parents)
