MEETA SCHOLARSHIP RECIPIENT

JENNY

PRESIDENT'S CENTENARY ENTRANCE CITATION RECIPIENT

Jenny is a third-year student from Stettler, Alberta. Her passion for education and literature led her to pursue Secondary Education with a major in English and minor in Social Studies. Aside from her studies, she loves travelling and provides support to local communities across Canada during her summers.

"Receiving such a generous scholarship has allowed me to focus my energy on my number one passion — education — instead of my financial needs. Moving from a small town to a big city was certainly daunting at first, but attending university has allowed me to expand my understanding of the world and I am extremely grateful to feel I have no limitations placed on me academically or financially."
