Bachelor of Education Degree (Transfer and After Degree)
REGISTRATION TIP SHEET 2021

The Bachelor of Education Degree prepares you to teach in Elementary schools (Kindergarten to Grade 6) or in Secondary schools in two subject areas (Grade 7 to Grade 12).

How to Accept Your Offer of Admission
Students must go online to accept their admission offer and, if applicable, pay a tuition deposit by the deadline indicated in 
UAlberta Launchpad. This will confirm your intention to attend and allow you to build your schedule and register in courses, once course registration opens. Please note it may take 2-3 business days to process your tuition deposit payment, so ensure you allow enough time prior to attending a workshop or registering in courses.

Log in to the  UAlberta Launchpad  application system. Click on “Accept Offer” to be taken to the Application Status page, where you will see a list of your program choices. Click the “Accept Offer” button beside the program of your choice. Then, you may complete the online payment if applicable.

Registering in Courses
Students will use Bear Tracks to view courses, build their timetable, and register in courses. Log in to Bear Tracks using your CCID and password. This will be the same log-in information as your @ualberta.ca email address!

Planning Resources
There are many resources available to help you select courses and plan your program.

1. Program Sheet – You will be provided with an individualized Program Sheet, sent to your @ualberta.ca email, when you are admitted to the Faculty of Education. Refer to your Program Sheet for a list of your specific program requirements.

2. U of A Calendar – The U of A Calendar is an important resource for students. It has sections for:
   - General Faculty of Education Information
   - Elementary Education Route
   - Secondary Education Route (Scroll to Education Chart 1 for majors and Education Chart 2 for minors)
   - After Degree

Tips For Creating Your Timetable
1. A full course load is *15 credits per term (normally 5 classes); however, students will still be considered full-time if they are registered in at least *9 credits (normally 3-5 classes) per term in Fall/Winter.

2. Make sure to check prerequisites: Some classes will need you to present certain prerequisite courses prior to taking them. This information can be found in the course descriptions on Bear Tracks or in the Calendar.

3. When registering for your Education Elective: Ensure that you register in a 300- or 400-level class offered by the Faculty of Education (EDU, EDPY, EDPS, EDIT, EDEL, EDSE, EDES).

4. If the class you want is full: Put the class on your “Watch List” (found on Bear Tracks). You will be notified via email or text message if a spot becomes available in the class.

5. It is not uncommon to encounter errors when you are registering, but don’t panic! You can find instructions and troubleshooting information on the Registration Issues section of the Faculty of Education website.

Having Issues Enrolling in a Required Course?
If you find that you are getting the message “restrictions not met” or some variation of this, please read the error message notes, as well as the notes on Bear Tracks. You may need to contact the department that is running the course.

Please refer to the Education Department contact information below. For all other university departments, please refer to the University’s homepage. It is important to try registering first and, if necessary, contact the department as early as possible.
