Funding Your Future

As an AP / IB student you may be eligible to receive up to $5,000 as recognition for your achievements in an academically-rigorous program with our Enriched Scholar Scholarship. Learn more and view all entrance awards at uab.ca/awards.

A+ REWARDS FOR AN A+ STUDENT

You did the work – taking AP / IB has its perks!

If you achieve a final grade of 4+ (AP) or 6+ (IB) on identified exams, you can receive Advanced Standing by one of the following means:

Transfer Credit: Receive university-level credit for AP / IB work completed in high school. This means you will have the option not to take that course in university.

Advanced Placement: Register in a senior-level course without taking the junior-level course first.

Credit by Special Assessment (CSA): Enables you to challenge a university course for credit by writing a special exam. Administered by our faculties directly.

We Are Leading with Purpose

World-class teaching, research, and innovation are just a few of the reasons why AP & IB students choose to study here.

Top 5 University in Canada

Top 110 University in the World

2nd Globally in Artificial Intelligence

2nd in Canada for Graduate Employment

200+ Undergraduate Programs

450+ Student Groups

A+ Rewards for an A+ Student

**ADVANCED PLACEMENT STUDENTS**

You’re one step closer with multiple ways to gain admission. At the University of Alberta we offer dual admission for AP students. This means if you are completing AP courses along with your high school curriculum, we will use the higher score for admission.

For example: If you finish with 80% in Grade 12 Biology and score a 4 in AP Biology (which converts to 86%), we will use the higher AP grade when considering your admission.

Don’t miss the deadline! All AP students must submit a final and official AP transcript by August 1. Institution Code: 0963

**AP Capstone Program**

We are proud to grant students who successfully complete the full AP Capstone Diploma with three additional credits.

---

**RYLEE**

AP STUDENT

Rylee is an Industrial Design student also completing a Certificate of Sustainability. He dove head first into the endless opportunities at the U of A, including the Student Design Association, swim club, kickboxing and the fitness centre.

“Finding the design program at the U of A completely changed my life. I have done everything from welding chairs to drawing life models; I love imagining a concept and a few weeks later bringing it to life. Design helped me find my confidence in who I am and what I love to do.”

### INTERNATIONAL BACCALAUREATE STUDENTS

**NEHA**

**IB STUDENT**

Neha is a Psychology student and a volunteer research assistant at the Institute for Reconstructive Sciences in Medicine, working to analyze data from head and neck cancer patients to help with treatment. She is also a language instructor teaching kids how to read, write, and speak Hindi.

I’ve learned over the years people take up space in different ways; my way is to write. I wrote my first poem in grade 6 and had my first published poem in grade 9. My love of writing led me to write and direct a one-act play that showed the repercussions of domestic violence against women. I will continue raising my voice through writing and in turn help others raise theirs."

---

Don’t miss the deadline!

All IB students must submit a final and official IB transcript by August 1.

Institution Code: 000085

For IB Diploma candidates, your IB Coordinator must submit a Predicted IB Grades form between March 1 and April 30, 2023.
