EMPOWER YOUR STUDENT TO MAKE GOOD CHOICES. LIKE CHOOSING THE U OF A.

Start with a Program
Selecting the perfect program is important, which is why we have 200+ to choose from. Visit uab.ca/programs to explore program options and admission requirements, or uab.ca/averages for a list of historical admission averages. Keep in mind, it is normal for students to change majors or programs during their degree.

Our Campuses
The U of A is made up of three campuses: North Campus, Augustana Campus and Campus Saint-Jean. All are recognized for global academic excellence, exceptional faculty and high-impact research. But when it comes to location, program types and daily campus life, there is a lot that sets them apart. uab.ca/campus

Home Away from Home
Living on campus has its perks. Students who live in residence are known to achieve a higher GPA, make lifelong connections and friendships and stress less about food with our meal plans. And the best part? We have a guaranteed spot for all first-year students who apply by April 30, 2024. uab.ca/residence

Infinite Possibilities Await
From Week of Welcome to Green and Gold Day to Campus Cup, there is literally something for everyone to get involved in at the U of A. Between classes, your student can use the recreation facilities on campus or join one of the 450+ student groups.

Our Grads Get Jobs
University is meant to be spent beyond the classroom, which is why we have endless opportunities to help your students practice what they learn. Our co-ops, practicums, internships and career mentoring make our graduates some of the most employable in the world. uab.ca/wil
