## Territorial Acknowledgement

### The University of Alberta respects the sovereignty, lands, histories, languages, knowledge systems, and cultures of First Nations, Métis and Inuit nations.

The University of Alberta, its buildings, labs, and research stations are primarily located on the traditional territory of Cree, Blackfoot, Métis, Nakota Sioux, Iroquois, Dene, and Ojibway/Saulteaux/Anishinaabe nations; lands that are now known as part of Treaties 6, 7, and 8 and homeland of the Métis.

### A message from the President

The University of Alberta is home to an exceptional community of students and researchers who are leading the way in innovation, problem solving and community building. Our diverse network of scholars challenge themselves and each other as they seek out truth and shape how our world will look in the future. Your unique talents and interests will enrich our community. Join us for a learning experience that will transform you and prepare you for success in an ever-changing world.

Bill Flanagan,  
President and Vice-Chancellor,  
University of Alberta

### About the President

Bill Flanagan is the 14th president and vice-chancellor of the University of Alberta. President Flanagan, JD, DEA, LL.M., served as the dean of law from 2005 to 2019 at Queen's University. He was president of the Council of Canadian Law Deans from 2011 to 2014, and served on the National Action Committee on Access to Justice in Civil and Family Matters. His work in support of HIV/AIDS research and initiatives has made him a well-recognized and respected public figure.

# WE ARE Leading with Purpose

At the University of Alberta, we seek out challenges so we can create change. We question and test the status quo — and then innovate on it. We collaborate and integrate. We overcome barriers so our ideas can collide and grow.

**Together we are change makers, community builders, world shapers, and truthseekers.**

UOFA in EDMONTON

## TOP 5

# DISCOVERY IS IN OUR DNA

## HOW TO BUILD A BETTER FUTURE

### Amazing mentors

Learn from the best and work alongside them in their research labs or participate in their field studies. Our award-winning professors are committed to developing and supporting the next generation of free thinkers and innovators – like you!

### Renowned facilities

Some of the world's most advanced research facilities call the U of A home. The Canadian Ice Core Lab is studying over 10,000 years of climate change, while our artificial intelligence labs are creating smart bionic limbs.

### Hands-on opportunities

From your very first year you can participate in groundbreaking research with the Undergraduate Research Initiative (URI). Get real-world experience with fieldwork, or lead the way with self-directed summer projects. [uab.ca/URI](http://uab.ca/URI)

Then, see it all come to life at the Festival of Undergraduate Research and Creative Activities (FURCA) where we celebrate the remarkable work you've been doing. Whether you are focused on the impact of the opioid crisis, or you are looking for ways to eliminate fossil fuels – FURCA is the place to present and discover! [uab.ca/furca](http://uab.ca/furca)

**740** COLLABORATION AGREEMENTS ACROSS 84 COUNTRIES

**67th GLOBALLY** IN FACULTIES RANKING

**2nd LARGEST** RESEARCH LIBRARY IN CANADA

**450+** STUDENT CLUBS

**96 CHAMPIONSHIPS** IN NATIONAL ATHLETICS

**10,000+** INTRAMURALS PARTICIPANTS EACH YEAR

## GET INVOLVED ON CAMPUS – THERE IS LITERALLY SOMETHING FOR EVERYONE.

From Alpha Gamma Delta to the Yarn Club, there are so many fun and diverse experiences here.

### It all starts with a 'WoW'

Week of Welcome (WoW) is the best way to start off on the right foot and get involved. It's a week of orientations, concerts, and a clubs fair where you find people that share your passion.

### Go green and gold

When we aren't cheering on our varsity teams. You can find us seeking out events and celebrations unique to our community, like:

- Green and Gold Day
- Bar None Week
- Campus Cup
- AntiFreeze
- International Week
- Pride Week
- Round Dance and TAWOW

For a full listing of student groups and clubs go to [uab.ca/sg](http://uab.ca/sg)

# HERE FOR **YOUR** SUCCESS

### Supporting your journey

The International Services Centre (ISC) is home to International Student Services, Education Abroad, Global Education and the Visiting Programs. International Student Services provides international students with the resources to help them adjust to life at the U of A, and in Canada.

### International student services

Coming to Canada to study at the U of A will be an adventure, and with every adventure comes questions. Where will I go if I need advice? Will I meet other students

on campus? What happens when I arrive at the airport in Edmonton? Our International Student Services team provides services, events, and programs that can help you accomplish your academic and personal goals. These international experts are ready to coach you towards a successful university experience. [uab.ca/iss](https://uab.ca/iss)

### Get recognized

Global Education at the U of A offers the Certificate in International Learning—and as an international student, you already fulfill one of the completion requirements! [uab.ca/cil](https://uab.ca/cil)

# GO **(WAY)** OFF CAMPUS

## TO SEEK ADVENTURE, GET NEW PERSPECTIVES OR DIG INTO RESEARCH, LITERALLY.

You can earn credit toward your degree while studying outside the classroom or gaining real-world experience. From a few weeks in a field school to spending several semesters abroad, be inspired by the possibilities! [uab.ca/abroad](https://uab.ca/abroad)

### Exchanging is life-changing

Trade in your scenery and take courses at a partner university for a semester or a full year — like the University of Wollongong in Australia, an ecologically designed campus in the foothills of the Mount Keira rainforest, overlooking the Pacific Ocean.

### See where faculty-led can take you

Take a program led by a faculty, which could include a study tour, coursework, and fieldwork in unexpected places — like studying ancient tombs at a field school in Thessaly, Greece, while completing a course in Classical Archaeology!

### Imagine an international internship

Choose a 4- to 8-month work placement with a private company, organization, or a research placement at a university — like researching climate change in the French Alps and Berlin.

# BEYOND THE BOOKS

**125+**

GLOBALLY  
FOR EMPLOYMENT RATE

**220+**  
CSL COMMUNITY  
PARTNERS

## YOUR IDEAS CAN TRANSFORM INTO PROJECTS, INITIATIVES, AND VENTURES – ALL WHILE YOU PURSUE YOUR DEGREE

### Learn. Launch. Lead.

With help from organizations like eHUB, group projects have turned into game-changing products right here at the U of A!

### Trade a classroom for a makerspace

Our one-of-a-kind maker spaces allow our doers to do, our tinkers to tink, and our creators to create:

- Student Innovation Centre
- The Elko Engineering Garage
- Printmaking and design studios

### Connect with employers

Let us help you build your work experience and resumé with an internship, job shadowing, and career mentoring opportunities in virtually any field through:

- The U of A Career Centre
- Transition to Career (T2C)
- Co-ops, practicums, and internship opportunities in every direct-entry faculty

### Make a difference

If you love the thought of giving back to the community while drawing real life connections to social issues, look into Community Service-Learning (CSL). You'll gain hands-on experience in the non-profit sector by choosing a placement with a local organization. You can also add a Certificate in Community Engagement and Service Learning to your degree when you complete more than one CSL course. [uab.ca/csl](http://uab.ca/csl)

### NAVNEET INTERNSHIP STUDENT

Navneet found his purpose by interning with Syncrude as a Student Consultant on Sustainability Policy. He is incredibly involved on and off campus as a Senior UAlberta Ambassador and a Human Rights Advocate for the John Humphrey Centre – to name a few!

“My internship with Syncrude allowed me to explore my interests in sustainability, gender equity, and Indigenous community policy development – areas I hope to progress in my future career. I now have a better understanding of how I can apply my schooling when advocating for policy changes for marginalized communities.”

### Co-op programs and work experience

Many faculties and programs at the U of A offer paid co-op programs or work experience placements - letting you obtain practical experience while you earn credit towards your degree.

U of A co-op and work placement partners include businesses ranging in size from five to 50,000+ employees, government at all levels, research laboratories, and non-governmental organizations.

Participating in co-op work programs, work experience placements, or academic internships has been shown to make graduates more attractive to employers, and to receive higher starting salaries!

### A Canadian career after graduation

After you graduate from the U of A, you may be eligible to stay and work in Canada for up to 3 years with the Post Graduation Work Permit. Living and working in Canada provides opportunities to apply for Permanent Residency.

U of A's International Student Services offers support with pathways to Canadian permanent residency.

Learn more at [uab.ca/iss](http://uab.ca/iss)

# STUDY IN CANADA

## EXPLORE THE ROCKY MOUNTAIN PARKS

Located a few hours away from Edmonton is Canada's world famous Banff National Park. Experience stunning peaks, beautiful lakes, and ancient glaciers.

## COME TO CANADA AND DISCOVER THE "TRUE NORTH STRONG AND FREE" CELEBRATED IN OUR NATIONAL ANTHEM

### A country to explore

Explore Canada: the second largest country in the world, home to friendly people and stunning landscapes.

From coast to coast to coast Canada has exciting cities and breathtaking natural beauty that will appeal to your adventurous side. The people of Canada are as interesting as the landscape - Canadians come from all over the world and celebrate multiculturalism by sharing their traditions and welcoming the traditions of others.

### Prosper in Alberta

Alberta is recognized as having one of the strongest economies and highest living standards in the world. Albertans enjoy higher salaries than in any other province in Canada, as well as world-leading education and healthcare systems.

Canada is known as one of the top 10 countries globally for quality of life, and is one of the safest countries in the world.

## OUR MAIN TEACHING CAMPUS IS A CAMPUS OF CONTRASTS

With 150 buildings occupying over 50 city blocks, it's truly a city within a city. Yet it is also on the edge of a natural river valley. It's a classic academic setting steeped in over 113 years of history, yet also home to some of the most advanced research, technology and teaching facilities in the world. Light Rail Transit (LRT) connects North Campus to the downtown core, or just two stops in the other direction, to South Campus – home to our agricultural research facilities, and our athletics teams. Come and tour campus in person or take a 360° video tour at [uab.ca/tours](http://uab.ca/tours) to see what life is like here.

PLAY DODGEBALL

 **ZERO**  
COMMUTE  
TO CAMPUS

 **CANADA'S  
LARGEST  
RESIDENCE**

## LIVING ON CAMPUS CAN LEAD TO A HIGHER GPA (AND PROBABLY MORE FUN)

### First-year residence

Meeting your floormate, making your space your own, and creating those lifelong friendships through clubs, sports, study groups and all kinds of fun, that's what residence is all about. Lister Hall, on North Campus, is our traditional first-year dorm home to 2,300 students across five towers. **First-year students are guaranteed a room if you apply by April 30**

### Meal plans. Because you want to eat, not cook.

Lister and Peter Lougheed Hall residents choose a meal plan as part of their accommodation cost, so you can focus on your studies rather than meal planning, shopping, and washing dishes. Ew. Many of our international students have specific dietary requirements due to religious and/or cultural reasons.

### Begin at basecamp.

Moving out on your own and starting university are two big life changes — attending BaseCamp will help you make this transition. A week before classes start, you'll move in, meet your floor-mates, get to know the campus, and explore the city. It's more than an orientation, it's a head start on how to excel as a first-year student.

Take a virtual tour at [uab.ca/residence](http://uab.ca/residence)

### ISABELLA

NORTH CAMPUS RESIDENT

**Isabella has lived in multiple Residences across campus with her emotional support cat, Tofu, and found her purpose working as a Residence Assistant, a Wellness Ambassador, and Head Storyteller.**

“

I moved into Residence for my first year of university and I loved that it gave me independence, freedom, and ease to experience student life while living on campus. I have met an amazing and diverse group of friends during my three years already and can't wait to meet more. Because you're living in such a tight-knit community, it's really easy to make meaningful connections.”

# CAMPUS SAINT-JEAN

# AUGUSTANA CAMPUS

## THE U OF A EN FRANÇAIS

### Francophone focus

As the only French-language university and college campus west of Manitoba, Campus Saint-Jean is helping to reinforce Canada's linguistic duality. With nine undergraduate programs and two master's programs, it's the best of the U of A — delivered in French.

[uab.ca/csj](http://uab.ca/csj)

### Central Edmonton

The campus is located in the heart of Edmonton's francophone neighbourhood of Bonnie Doon.

Enjoy the immersive environment of learning in French, but you can also easily access all the amenities of North Campus by taking a free 10-minute shuttle ride.

### Résidence Saint-Jean

Enjoy a unique crossroads of academic, linguistic, and cultural life by living on campus in Edmonton's vibrant French Quarter. Résidence Saint-Jean features historic architecture; no two rooms are alike, and each room is a private one.

## THE U OF A IN A UNIQUE WAY

### Liberal arts and sciences

A welcoming campus exclusively focused on undergraduate education, multidisciplinary program majors, a non-traditional academic calendar, and experiential learning opportunities embedded in a project-based core. Augustana leads the way in designing a truly immersive and holistic university experience.

[ualberta.ca/augustana](http://ualberta.ca/augustana)

### Camrose, Alberta

A one-hour drive from Edmonton will bring you to Augustana Campus in the City of Camrose, Alberta. Steps

from campus, students can explore the vast trail network and historic downtown. From cross-country skiing to local shops and restaurants, Camrose has lots to offer.

### Residence at Augustana

Most first-year students live on campus, where they enjoy convenient access to their classes, professors, and on-campus activities. Augustana housing provides dorm style accommodations, a diverse and engaging environment, and a full meal plan with a variety of locally-sourced food options.

## EDUCATION

education.ualberta.ca | 780.492.4530 | edrec@ualberta.ca

### BACHELOR OF EDUCATION ELEMENTARY

- Generalist program – no major or minor

### BACHELOR OF EDUCATION SECONDARY

### Majors:

- |  |  |
|--|--|
| • Art  | • General Sciences   |
| • Biological Sciences  | • Mathematics  |
| • Career and Technology Studies† (Communication Arts; Computer Science; Design; Health; Human Sciences; Media; Natural Resources; Recreation; Trades, Manufacturing, and Transportation) | • Music: Wind Band   |
| • Chemistry  | • Physical Education   |
| • Drama  | • Physical Sciences  |
| • English Language Arts  | • Physics  |
|  | • Second Languages** (Cree, French, German, Japanese, Spanish, Ukrainian, Other) |
|  | • Social Studies   |

† Please note that many CTS majors are not available to direct-entry applicants. Additionally, some CTS majors have capacity limits. If you are interested in applying to a CTS major, contact the faculty for further details.

\*\* Please note that some second-language majors have capacity limits.

### COMBINED DEGREES (5-YEAR PROGRAMS):

- Bachelor of Arts (Native Studies) / Bachelor of Education (Elementary Route)
- Bachelor of Arts (Native Studies) / Bachelor of Education (Secondary Route)
- Bachelor of Arts (Drama) / Bachelor of Education (Secondary Route)
- Bachelor of Kinesiology / Bachelor of Education (Elementary Route)
- Bachelor of Kinesiology / Bachelor of Education (Secondary Route)
- Bachelor of Music / Bachelor of Education (Elementary Route)
- Bachelor of Music / Bachelor of Education (Secondary Route)
- Bachelor of Science / Bachelor of Education (Secondary Route)
- Bachelor of Science (Augustana Campus) / Bachelor of Education (Secondary Route)

### OFF-CAMPUS PROGRAMS:

- Aboriginal Teacher Education Program (ATEP)
- Collaborative (Off-Campus) Degree (Grande Prairie, and Fort McMurray)

Fort McMurray intake occurs every second year. Please contact the faculty for more details. For questions about ATEP, please contact atepuofa@ualberta.ca

### CERTIFICATE PROGRAMS:

- Certificate in Advancing Adolescent Literacy
- Certificate in Digital Learning
- Certificate in Early Childhood Education
- Certificate in Global Citizenship
- Teaching Students with Complex Communication Needs

## ENGINEERING

[ualberta.ca/engineering](http://ualberta.ca/engineering) | 780.492.1715 | [engginfo@ualberta.ca](mailto:engginfo@ualberta.ca)

### BACHELOR OF SCIENCE ENGINEERING

Note: the first year of Engineering is a general qualifying year; students then apply to a program and / or specialization to complete their degree.

#### PROGRAM OPTIONS (AFTER QUALIFYING YEAR)\*:

##### CHEMICAL ENGINEERING

- Computer Process Control option
- Oil Sands Elective stream
- Biomedical option

##### CIVIL & ENVIRONMENTAL ENGINEERING

- Environmental Engineering option

##### COMPUTER ENGINEERING

- Nanoscale System Design option
- Software option

##### ELECTRICAL ENGINEERING

- Nanoengineering option
- Biomedical option

##### ENGINEERING PHYSICS

- Nanoengineering option

##### MATERIALS ENGINEERING

##### MECHANICAL ENGINEERING

- Biomedical option

##### MINING ENGINEERING

##### PETROLEUM ENGINEERING

#### CUSTOMIZE YOUR DEGREE:

- Cooperative (Co-op) Education Program
- Minors and Certificates in the faculties of ALES, Arts, Science, and Business

## KINESIOLOGY, SPORT, & RECREATION

[uab.ca/ksr](http://uab.ca/ksr) | 780.492.5604 | [ksr.recruiting@ualberta.ca](mailto:ksr.recruiting@ualberta.ca)

### BACHELOR OF ARTS IN RECREATION, SPORT, & TOURISM

#### Minors:

- Community Development
- Sport & Recreation Management
- Tourism & Natural Environments

### BACHELOR OF KINESIOLOGY

#### Majors:

- Adapted Physical Activity
- Physical Activity and Health
- Sport Performance
- Individualized Major (self-designed)

### BACHELOR OF SCIENCE IN KINESIOLOGY

#### COMBINED DEGREES:

- Bachelor of Kinesiology / Bachelor of Education (Elementary)
- Bachelor of Kinesiology / Bachelor of Education (Secondary)

#### CERTIFICATE PROGRAMS

- Certificate in Indigenous Sport and Recreation
- Research Certificate in Kinesiology

## NURSING

[nursing.ualberta.ca](http://nursing.ualberta.ca) | 780.492.5300 | [nursing.undergrad@ualberta.ca](mailto:nursing.undergrad@ualberta.ca)

### BACHELOR OF SCIENCE IN NURSING

#### CUSTOMIZE YOUR DEGREE:

- Bachelor of Science in Nursing (Bilingual)
- Bachelor of Science in Nursing (Collaborative)
- Bachelor of Science in Nursing (Honors)\*
- Bachelor of Science in Nursing (RPN to BSCN)\*

## NATIVE STUDIES

[ualberta.ca/native-studies](http://ualberta.ca/native-studies) | 780.492.2991 | [nsrecruitment@ualberta.ca](mailto:nsrecruitment@ualberta.ca)

### BACHELOR OF ARTS NATIVE STUDIES

#### BACHELOR OF ARTS NATIVE STUDIES (HONORS)\*

#### COMBINED DEGREES:

- Bachelor of Arts in Native Studies / Bachelor of Education (Secondary)  
**Majors:**
  - Cree
  - Native Studies
- Bachelor of Arts in Native Studies / Bachelor of Education in (Elementary) Education
- Bachelor of Science in Environmental and Conservation Sciences /  
**Majors:**
  - Human Dimensions of Environmental Management

### BACHELOR OF SCIENCE GENERAL PROGRAM

#### Majors:

- Biological Sciences
- Chemistry
- Computing Science
- Earth and Atmospheric Sciences
- Mathematics
- Physical Sciences
- Physics
- Psychology
- Statistics

### BACHELOR OF SCIENCE SPECIALIZATION OR HONORS

#### Program areas:

- Applied Mathematics (Honors only)
- Astrophysics
- Biochemistry
- Cell Biology
- Chemistry
- Computing Science
- Computing Science — Business minor (Specialization only)\*
- Computing Science Specialization in Software Practice
- Ecology, Evolution, and Environmental Biology
- Environmental Earth Sciences
- Geology
- Geophysics

## SCIENCE

(CONTINUED)

- Immunology and Infection
- Integrative Physiology
- Mathematical Physics (Honors only)
- Mathematics
- Mathematics and Economics
- Mathematics and Finance\*
- Mathematics — Computational
- Science (Specialization only)
- Molecular, Cellular and Developmental Biology
- Neuroscience (Honors only)
- Paleontology
- Pharmacology
- Physics
- Physiology (Honors only)
- Planning (Specialization only)
- Psychology\*
- Statistics

#### COMBINED DEGREE:

- Bachelor of Science (Specialization in Science and Education) / Bachelor of Education (Secondary)

#### CERTIFICATE PROGRAMS:

- Certificate in Computer Game Development (joint certificate with Faculty of Arts)
- Research Certificate in Science (Biological Sciences, Psychology)
- Certificate in Biomedical Research (in conjunction with the Faculty of Medicine & Dentistry)

#### CUSTOMIZE YOUR DEGREE:

- Massive Open Online Courses (MOOCs)
- Science Internship Program
- Other Campus Options

## PROFESSIONAL PROGRAMS

These faculties do not offer direct entry from high school, often they require you to earn a specific number of credits or to complete an undergraduate (bachelor) degree before applying.

## LAW

[law.ualberta.ca](http://law.ualberta.ca) | 780.492.6016 | [law.recruiter@ualberta.ca](mailto:law.recruiter@ualberta.ca)

#### DEGREE AND GRADUATE DEGREE PROGRAMS:

- Juris Doctor (J.D.)
- Master of Laws (LLM)
- Doctor of Philosophy in Law
- Internationally Trained Lawyer Pathway†

† This program is designed for individuals who already possess a law degree from another country. Contact [lawnca@ualberta.ca](mailto:lawnca@ualberta.ca) for more details.

## MEDICINE & DENTISTRY

[med.ualberta.ca](http://med.ualberta.ca) | 780.492.6621 | [meddent@ualberta.ca](mailto:meddent@ualberta.ca)

#### DEGREE PROGRAMS:

- Bachelor of Science in Medical Laboratory Science
- Bachelor of Science in Medical Laboratory Science
- Post-Professional Certification
- Bachelor of Science in Radiation Therapy
- Bachelor of Science (Dental Hygiene) (Post-diploma degree completion)
- Doctor of Medicine†
- Doctor of Dental Surgery

† Medical students are required to obtain a baccalaureate degree, from a program recognized by the University of Alberta, prior to admission.

## PHARMACY & PHARMACEUTICAL SCIENCES

[pharm.ualberta.ca](http://pharm.ualberta.ca) | 780.492.3362 | [phstud@ualberta.ca](mailto:phstud@ualberta.ca)

#### DEGREE PROGRAMS:

- Doctor of Pharmacy (PharmD)
- Doctor of Pharmacy (PharmD) for Practicing Pharmacists

#### COMBINED DEGREES:

- Doctor of Pharmacy / Master of Business Administration

## REHABILITATION MEDICINE

[rehabilitation.ualberta.ca](http://rehabilitation.ualberta.ca) | 780.492.2903 | [info@rehabmed.ualberta.ca](mailto:info@rehabmed.ualberta.ca)

#### GRADUATE DEGREE PROGRAMS:

- Master of Science in Occupational Therapy
- Master of Science in Physical Therapy
- Master of Science in Rehabilitation Science
- Master of Science in Speech-Language Pathology
- Doctor of Philosophy in Rehabilitation Science

## SCHOOL OF PUBLIC HEALTH

[publichealth.ualberta.ca](http://publichealth.ualberta.ca) | 780.492.8211 | [sph.programs@ualberta.ca](mailto:sph.programs@ualberta.ca)

#### GRADUATE DEGREE PROGRAMS:

- Master of Public Health
- Master of Science in Public Health
- Doctor of Philosophy in Public Health

## CAMPUS SAINT JEAN (EDMONTON, ALBERTA)

csj.ualberta.ca | 780.465.8780 | recrutement@csj.ualberta.ca

### BACCALAURÉAT ÈS ARTS

Majeures (certaines majeures pourraient changer):

- Économie
- Études canadiennes
- Études Interdisciplinaires
- Français-langue
- Français-littérature
- Histoire
- Psychologie
- Science politique
- Sociologie

### BACCALAURÉAT ÈS ARTS AVEC SPÉCIALISATION\*

Majeures:

- Études canadiennes
- Études interdisciplinaires
- Langue et littérature
- Sciences socio-politiques

### BACCALAURÉAT ÈS SCIENCES

Majeures:

- Chimie
- Mathématiques
- Physique
- Psychologie (sciences)
- Sciences biologiques
- Sciences mathématiques
- Sciences physiques

### BACCALAURÉAT EN ÉDUCATION PRIMAIRE

Majeures (n/a – degré de généraliste)

### BACCALAURÉAT EN ÉDUCATION SECONDAIRE

Majeures:

- Français
- Études sociales
- Mathématiques
- Musique
- Sciences générales

### BACCALAURÉAT EN ÉDUCATION (APRÈS-DIPLÔME) (2 ANS)

#### PROGRAMMES COMBINÉS:

- Baccalauréat en éducation / sciences

Majeures:

- Sciences biologiques
- Sciences mathématiques
- Sciences physiques

### BACCALAURÉAT BILINGUE EN ADMINISTRATION DES AFFAIRES\*

### BACCALAURÉAT ÈS SCIENCES INFIRMIÈRES – BILINGUE\*

#### POUR PERSONNALISER VOTRE BACCALAURÉAT:

- Sciences en génie (première année)

La première année du baccalauréat Sciences en génie peut être faite en français au Campus Saint Jean; le reste du baccalauréat sera complété en anglais au Campus nord.

## AUGUSTANA CAMPUS (CAMROSE, ALBERTA)

ualberta.ca/augustana | 780.679.1132 | augustana@ualberta.ca

### BACHELOR OF ARTS

Majors:

- Sustainability Studies (Economics, Environmental Studies, Sociology)
- Physical Education
- Psychology and Mental Health (Mental Health and Well Being stream OR Brain and Behaviour stream)

#### Interdisciplinary Studies:

- Creativity and Culture (Art, Drama, English, Languages, Music, and Philosophy)
- Ethics and Global Studies (History, Philosophy, Political Studies, and Religious Studies)
- Law, Crime and Justice Studies (Criminology, Sociology, History, Political Studies, and Psychology)

### BACHELOR OF MANAGEMENT

Majors:

- Management (General OR Business Economics)

### BACHELOR OF MUSIC

Majors:

- Performance-Based Pedagogy (Comprehensive, Conducting, Keyboard, OR Voice)

### BACHELOR OF SCIENCE

Majors:

- Integrative Biology (Computing Science stream OR Computational and Applied Mathematics stream)
- Chemical and Physical Sciences
- Computing Science and Mathematics
- Environmental Science
- Physical Education

### COMBINED DEGREE:

- Bachelor of Science / Bachelor of Education (Secondary)

Apply and submit required documents as early as possible to be considered for both admissions and awards.

## APPLICATION DATES AND DEADLINES

### 2022

#### October 1

Fall 2022 undergraduate application opens  
[uab.ca/apply](https://ualberta.ca/apply)

### 2023

#### January 11

Awards Application Deadline

#### February 13

Update new final marks

#### March 1

Fall 2023 Admission Application Deadline

#### April

Registration for courses for Fall 2023 semester opens

#### April 30

Deadline to apply to residence for guaranteed housing

#### May 1

Deadline to accept admission offer (unless otherwise stated)  
[uab.ca/accept](https://ualberta.ca/accept)

#### August 1

Deadline to submit admission documents

## READY TO APPLY?

Applying to university doesn't have to be complicated – you can find answers to frequently asked questions, and access videos that will guide you through the application process at [uab.ca/apply](https://ualberta.ca/apply)

### 1. CHOOSE

Identify your first and second choices for the best chance of receiving an admission offer. Check the admission requirements for both programs at [uab.ca/programs](https://ualberta.ca/programs) as well as admission average trends at [uab.ca/averages](https://ualberta.ca/averages).

### 2. SUBMIT

Start your application at [uab.ca/apply](https://ualberta.ca/apply) where you will upload transcripts with your completed grade 11 and 12 courses, and grade 12 courses you are taking and planning to take. You can also apply for residence on your application. After you apply for admission you will receive a student ID and CCID that you can use to apply for scholarships. [uab.ca/awards](https://ualberta.ca/awards)

### 3. CHECK

After you apply you will have access to UAlberta Launchpad. Here you can check your application status, submit outstanding documents, update new final marks, and review any checklist items for your program. We will also assign you a UAlberta email address, where you will check for notifications or Correspondence. [uab.ca/aftapp](https://ualberta.ca/aftapp)

### 4. ACCEPT

After you receive an admission offer, you'll need to accept it in Launchpad, and pay the tuition deposit. You will also need to accept your residence offer. Log into Bear Tracks with your student ID and CCID to accept offers for scholarships and awards. [uab.ca/accept](https://ualberta.ca/accept)

## AFTER YOU APPLY: EVALUATION

Admission to the U of A is competitive and works on a rolling basis – some students could receive an admission offer as early as October. Admission averages are calculated using the five required courses for your program of choice using the courses and final marks included on your application. View the average admission range for your programs at [uab.ca/average](https://ualberta.ca/average). Where final Grade 12 marks are unavailable, the final mark in the equivalent Grade 11 course will be used. Admission offers could be based on final Grade 11 marks.

### OUTSTANDING DOCUMENTS

Your UAlberta Launchpad portal may indicate that you have further documents to supply:

#### Out-of-province students:

Your transcripts may not be transferred automatically. Please ensure they are sent to and received by the University of Alberta. [uab.ca/aftapp](https://ualberta.ca/aftapp)

**International students:** You must obtain a new study permit for post-secondary studies, even if you already have a high school study permit. [uab.ca/studypermit](https://ualberta.ca/studypermit)

### ENGLISH LANGUAGE PROFICIENCY

You must possess the required level of English Language Proficiency (ELP) in order to be granted admission (except for French-language programs, which require FLP). There are several ways to demonstrate ELP. [uab.ca/languagereqs](https://ualberta.ca/languagereqs)

## AGRICULTURAL, LIFE & ENVIRONMENTAL SCIENCES

[ualberta.ca/ales](http://ualberta.ca/ales) | 780.492.4933 | [questions.ales@ualberta.ca](mailto:questions.ales@ualberta.ca)

Choose from over 40 program options that blend theory with hands-on practical learning, including field courses, practicum placements, and paid work internships. Our programs are directly related to key employment sectors, including the environment, food and agriculture, human services, and animal care.

### Careers include:

- Food Engineer
- Agrologist
- Wildlife Biologist
- Plant Biotechnologist
- Soil Scientist
- Forester
- Land Reclamation Manager
- Fashion Merchandising Manager
- Child and Youth Programmer
- Environmental Policy Analyst

## ARTS

[uab.ca/arts](http://uab.ca/arts) | 780.492.4295 | [arts.undergrad@ualberta.ca](mailto:arts.undergrad@ualberta.ca)

With over 100 years of success, we proudly offer some of the most diverse and acclaimed academic programs in Canada. Spanning across the social sciences, humanities, and fine arts, our graduates possess marketable degrees with highly sought-after skills and knowledge.

### Careers include:

- Foreign Affairs Officer
- Economist
- Public Relations and Communications
- Policy and Financial Analyst
- Humanitarian Aid Worker
- Business Consultant
- Non-profit Manager
- Social Entrepreneur

## BUSINESS (ALBERTA SCHOOL OF BUSINESS)

[ualberta.ca/business](http://ualberta.ca/business) | 780.492.5773 | [bcominfo@ualberta.ca](mailto:bcominfo@ualberta.ca)

The Alberta School of Business provides students with a world-class education, leadership opportunities, and connections to the global community. With an over 100 year legacy as one of Canada's top business schools, our BCom program has empowered thousands of students to become leaders around the world.

### Careers include:

- Accountant
- Business Development Associate
- Data Analyst
- Financial Analyst
- Human Resources Coordinator
- Investment Banking Analyst
- Information Systems Manager
- Marketing Coordinator
- Operations Manager
- Tax Analyst

## EDUCATION

[ualberta.ca/education](http://ualberta.ca/education) | 780.492.4530 | [edrec@ualberta.ca](mailto:edrec@ualberta.ca)

We are proud of a rich legacy as Canada's first Faculty of Education. Our degree is recognized globally for its excellence, with our program currently ranked in #44 in the world and #4 in Canada! Our graduates teach in countries throughout the world and also pursue numerous careers outside of the classroom.

### Careers include:

- Professional Teacher
- Educational Administrator
- Educators / Trainers in the public and private sectors
- Educational Consultant
- Educational or Vocational Counselor
- Adult Educator
- Child or Youth Care Worker
- Tutor

## ENGINEERING

[ualberta.ca/engineering](http://ualberta.ca/engineering) | 780.492.1715 | [engginfo@ualberta.ca](mailto:engginfo@ualberta.ca)

The Faculty of Engineering offers internationally respected undergraduate and graduate engineering degrees. Our degrees include cutting-edge programming in areas such as Biomedical, Nanotechnology, Energy, and Natural Resources Engineering.

### Careers include:

- Aerospace Engineer
- Environmental Engineer
- Chemical Manufacturing and Processes Engineer
- Mechanical Systems and Facilities Engineer
- Petroleum or Mining Engineer
- Architectural Engineer
- Project Management Engineer
- Research and Development Engineer
- Product and Systems Design Engineer
- Software and Video Game Engineer

## KINESIOLOGY, SPORT, & RECREATION

[uab.ca/ksr](http://uab.ca/ksr) | 780.492.5604 | [ksr.info@ualberta.ca](mailto:ksr.info@ualberta.ca)

Discover the art and science of human movement in Canada's premier Faculty of Kinesiology, Sport & Recreation. We offer outstanding programs in the fields of kinesiology, sport and exercise science, physical activity & health, leisure, recreation, and tourism leading to active, rewarding careers!

### Careers include:

- Sport Event Administrator/Facility Manager
- Tourism/Recreation Manager
- Kinesiologist
- Strength and Conditioning Coach
- Exercise Rehabilitation Specialist
- Certified Exercise Physiologist
- Exercise Therapist
- Community Youth Program Supervisor
- Fitness, Health & Wellness Consultant

## NURSING

[ualberta.ca/nursing](http://ualberta.ca/nursing) | 780.492.5300 | [nursing.undergrad@ualberta.ca](mailto:nursing.undergrad@ualberta.ca)

Ranked as the second best nursing program in the Canada by the QS World University Rankings, we offer a full range of undergraduate and graduate programs and are the only Canadian member of the Hartford Centers for Gerontological Nursing Excellence.

### Careers include:

- Food Engineer
- Agrologist
- Wildlife Biologist
- Plant Biotechnologist
- Soil Scientist
- Forester
- Land Reclamation Manager
- Fashion Merchandising Manager
- Child and Youth Programmer
- Environmental Policy Analyst

## NATIVE STUDIES

[ualberta.ca/native-studies](http://ualberta.ca/native-studies) | 780.492.2991 | [nsrecruitment@ualberta.ca](mailto:nsrecruitment@ualberta.ca)

The Faculty of Native Studies critically examines the historical and contemporary political, economic, social and legal relations, identities, rights, and goals of Indigenous societies and peoples, in Canada and internationally. Our Faculty educates Indigenous and non-Indigenous students to be responsible citizens through excellent community engagement, teaching and research focused on the complexity of Indigenous issues.

### Careers include:

- Foreign Affairs Officer
- Economist
- Public Relations and Communications
- Policy and Financial Analyst
- Humanitarian Aid Worker
- Business Consultant
- Non-profit Manager
- Social Entrepreneur

## SCIENCE

[ualberta.ca/science](http://ualberta.ca/science) | 780.492.4758 | [science.recruiting@ualberta.ca](mailto:science.recruiting@ualberta.ca)

The Faculty of Science offers unparalleled education with world-class instructors, hybrid learning environments, hands-on lab and field experience, and internship opportunities. With degrees spanning 7 scientific disciplines, we will give you the skills and confidence to forge your own path.

### Careers include:

- Accountant
- Business Development Associate
- Data Analyst
- Financial Analyst
- Human Resources Coordinator
- Investment Banking Analyst
- Information Systems Manager
- Marketing Coordinator
- Operations Manager
- Tax Analyst

# FUNDING YOUR FUTURE

A DEGREE IS A VALUABLE INVESTMENT IN YOURSELF AND YOUR FUTURE.

## FIRST-YEAR ESTIMATE\*

**\$29,192 - \$42,707**  
FOR INTERNATIONAL TUITION

plus

**\$3,500** (\$3,592.80)+ FOR BOOKS, SUPPLIES AND FEES  
**\$15,000+** FOR RESIDENCE WITH MEAL PLAN

**GET A REFINED ESTIMATE WITH THE COST CALCULATOR**  
at [uab.ca/costcalc](http://uab.ca/costcalc)

*Estimates are based on your program and living arrangements.*

**\$40M+**  
IN FINANCIAL SUPPORT IS AVAILABLE

**1 APPLICATION**  
TO BE CONSIDERED FOR ALL AWARDS

**1 IN 5**  
FIRST-YEAR STUDENTS RECEIVE A SCHOLARSHIP

## SCHOLARSHIPS AND AWARDS

The University of Alberta awards more than \$40.6 million each year in undergraduate scholarships, awards, and financial support to all kinds of students. Apply early to your program so you can be assessed for awards. View all entrance awards at [uab.ca/awards](http://uab.ca/awards)

### ADMISSION-BASED

Receive a scholarship you don't even have to apply for. Eligibility for these scholarships is based on your admission average at the time of your admission offer. Apply to your program early so the U of A can assess you for a match to the following awards and many more:

**International Admission Scholarship**  
Top students could receive up to \$5,000 CAD, depending on admission average.

**Regional Excellence Scholarship**  
Top students from certain regions could receive up to \$5,000 CAD, based on admission average.

**Gold Standard Scholarship**  
The top 5% of students in each faculty could receive up to \$6,000, depending on admission average.

### APPLICATION-BASED

Fill out a single application, and the U of A will assess you for all of our entrance scholarships and awards. The deadline for application-based awards is January 12, 2023, and you must apply to your program first.

**President's International Distinction Scholarship (25 Available Each Year)**  
Students with a superior admission average and demonstrated leadership qualities entering their first year of an undergraduate degree on a Student Visa Permit could receive up to \$120,000 CAD (payable over 4 years).

**International Leader Scholarship**  
Well-rounded leaders with superior academics may receive up to \$10,000 CAD.

## YOUR UNIVERSITY OF ALBERTA TUITION WILL NOT INCREASE

Your admission comes with a tuition guarantee. As an international student at the U of A you will know the total tuition for your program when you receive admission.

### Tuition guarantee details

Your tuition guarantee only applies to the standard requirements, including electives, necessary to complete your program. It does not include any mandatory non-instructional fees or other costs such as the U-Pass, textbooks, residence fees, students associations, etc. It also does not include the cost for any courses you choose to take as extra or that need to be repeated due to withdrawal or failure.

If you choose to take Spring/Summer courses, your total program tuition will remain the same however your annual total will increase for that year.

Your tuition guarantee is set for the typical duration of your program plus one year.

Typically programs are four years, therefore the guarantee would be in place for five years.

Should you require a fifth year of study to complete your program requirements, you will not face additional tuition costs in that fifth year. If your remaining courses exceed your program requirements, you will pay per course. In either case, payment for mandatory non-instructional fees in the fifth year will be required. If you have outstanding program requirements to complete after five years you will be required to pay for those remaining courses, individually, at the current rate in that academic year.

If you change programs at the University of Alberta your original guarantee will no longer be valid, and you will receive a new guarantee for your new program.

In the event of a discrepancy between the tuition amounts displayed in this publication and your University of Alberta Offer of Admission, the Offer of Admission shall be taken as correct.

Read the full details of the guarantee at [uab.ca/intcost](http://uab.ca/intcost)

## GUARANTEED TUITION RATES

FOR STUDENTS ENTERING THE UNIVERSITY OF ALBERTA IN FALL 2023

Program	Year 1 (2023)	Year 2 (2024)	Year 3 (2025)	Year 4 (2026)

## ENGLISH PROFICIENCY REQUIREMENT

All undergraduate applicants to English-speaking and bilingual programs need to demonstrate the required level of English language proficiency before admission, regardless of their citizenship status or country of origin.

Learn more at [uab.ca/engpro](http://uab.ca/engpro)

HOW CAN YOU MEET THE ELP REQUIREMENT?	THE U OF A WILL ACCEPT ONE OF THE FOLLOWING:	DETAILS AND CONDITIONS
<p><b>Complete an ELP exam with the minimum required score</b> Standardized test results must be issued directly from the testing office. Photocopies will not be accepted.</p> <p>Test scores must be valid and verifiable. Scores more than two years old will not be accepted.</p> <p>Test scores must include four sections: Reading, Writing, Listening, and Speaking.</p> <p>See Note 4</p>	TOEFL (Test of English as a Foreign Language) When requesting TOEFL scores, use: Institution Code: 0963, Department Code: 00	iBT: At least 90 with a minimum score of 21 points in each section Note: the PBT is no longer accepted
	IELTS (Academic) (International English Language Testing System)	At least 6.5 with no band less than 6.0
	CAEL (Canadian Academic English Language assessment) Either CAEL (paper) or CAEL CE (computer)	At least 70, with no band less than 60
	CanTEST (Canadian Test of English for Scholars and Trainees)	At least 4.5, with no part lower than 4
	CAE (Certificate in Advanced English, also known as Cambridge English: Advanced)	At least 180, with no less than 170 in each skill
	CPE (Certificate of Proficiency in English, also known as Cambridge English: Proficiency)	At least 180, with no less than 170 in each skill
	PTE (Academic) (Pearson Test of English Academic)	At least 61, with no less than 60 in each communicative skill
	DuoLingo English Test	At least 115, with no subscore less than 95
	English Language Arts 30-1 from Alberta	Final blended grade of 75% or better in class and diploma
	International Baccalaureate English A1, A2; or English A: Literature; or English A: Language & Literature	A grade of 5 or better
	International Baccalaureate English B	A grade of 6 or better
	Advanced Placement English	A grade of 4 or better on the College Board examination
	O-level, GCSE, IGCSE, AS-level or A-level English Language or Literature course (not the English ESL).	A grade of B or better
<p><b>Completing certain courses</b> These courses must be approved by the U of A, and you must achieve a certain minimum grade in that course</p> <p>See Note 4</p>	CBSE Core English or ISC English from XIIth Standard examinations	A score of 75% of better
	6 credits of transferable university-level English studies completed at a post-secondary institution where English is recognized as the language of instruction.	A grade of B+ or better (must be transferable as 6 credits of English at the U of A).
	The University of Alberta's ESL 140/145	Successful completion
	Successful completion of three years of full-time education in English in: Canada (including Grade 12 year), or another country where English is recognized as the official language of instruction, or in a recognized school/institution where English is the primary language of instruction.	Such education must include Alberta Grade 12 or its equivalent level, and can be a combination of secondary inclusive of Grade 12 and post-secondary education.
	Successful completion of the equivalent of three years of full-time instruction in a school/institution in Canada in which the major language of instruction is other than English.	The level of English proficiency required for graduation is equivalent to that in English language schools/institutions in Canada.
<p><b>Previous Education in English</b> See Notes 1, 2, 3, 5</p>	Graduation from a recognized degree program offered by an accredited University at which English is the primary language of instruction.	The University must be located in a country where English is the primary language or it must be recognized as one where English is the primary language of instruction.
	Academically qualified students who do not meet the English Language Proficiency requirements listed above should consider the U of A's Bridging Program. <a href="http://uab.ca/bp">uab.ca/bp</a>	

**Note 1:** Enrolment in English as a second language (ESL) courses or programs will not be included in the calculation of three years of full-time study. Enrolment must be in a regular high school or post-secondary for-credit program. Where students are registered in both ESL and regular programs, the ESL hours will be deducted from the total educational hours.  
**Note 2:** Proof of three years of education must be submitted in the form of official transcripts (including details on course enrolment and hours of instruction). **Note 3:** Failing grades/courses will not be counted when calculating full-time attendance. Only courses with passing grades will be considered. **Note 4:** Standardized test results must be issued directly from the testing office. Photocopies will not be accepted. Test scores must be valid and verifiable. **Note 5:** For a list of countries and universities that are recognized as having met the U of A's English language proficiency requirement, visit: [uab.ca/engpro](http://uab.ca/engpro)

Spoken English Language Proficiency (required by some programs) If you select a program related to Health Sciences or Education, you will be required to meet the spoken English language proficiency requirement. Please refer to the U of A Calendar for how to meet this requirement (Section 13.3.2).

The University of Alberta reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs. In some cases, additional English language testing, conducted by the Faculty of Extension, may be required to confirm English language proficiency.

## SELECTED INTERNATIONAL CURRICULA

The University of Alberta evaluates students from all countries for admission. A complete list of entrance requirements may be found online at [uab.ca/iapply](http://uab.ca/iapply)

GENERAL INFORMATION	
INTERNATIONAL CURRICULA	Students currently in High School need to submit their previous year's results and confirmation of final year course registrations. Students who have completed High School need to submit official and complete copies of their final results or information which allows for their results to be verified online. For a list of accepted credentials please visit <a href="http://uab.ca/equiv">uab.ca/equiv</a>
FIVE REQUIRED SUBJECTS	Admission to the University of Alberta is competitive. Five admission subjects are required for most curricula, and will vary based on your choice of program. Please visit <a href="http://uab.ca/programs">uab.ca/programs</a>
GRADES REQUIRED	Each undergraduate degree program has its own competitive admission average. To see the competitive range for your program please visit <a href="http://uab.ca/compreg">uab.ca/compreg</a>

## SELECTED INTERNATIONAL CURRICULA

GENERAL CERTIFICATE OF EDUCATION (GCE) CURRICULUM	
Students in the General Certificate of Education (GCE) system need to present three Advanced Level (A-level) subjects. Certain programs require specific A-level subjects.	
ENTRY CRITERIA	Each undergraduate program has its own competitive admissions average. Predicted A-Level grades are accepted for admission consideration. For more information please visit <a href="http://uab.ca/gce">uab.ca/gce</a>
INTERNATIONAL BACCALAUREATE (IB)	
IB courses completed at either the higher level (HL) or standard level (SL) may be used for admission. The University of Alberta does not use Ab Initio level courses for admission consideration. For more information please visit <a href="http://uab.ca/ibint">uab.ca/ibint</a>	
FULL IB DIPLOMA APPLICANTS	Students need to present their full diploma with the five admission subjects required by your program of interest. Students currently in the last year of the IBDP can submit predicted IB grades for consideration. Transfer credits may be granted upon receipt of official and complete IB results.
PARTIAL IB APPLICANTS	Students need to present five admission subjects required by their program of interest, a combination of IB and local curriculum may be used (but not GCSE and IB).
CHINESE SYSTEM	
Students who study in Chinese curriculum need to present five admission subjects required by their program of interest. For more information please visit <a href="http://uab.ca/china">uab.ca/china</a>	
INDIAN SYSTEM	
CBSE and CISCE National Boards	To be considered for a conditional offer, students will need to submit board results for Class X and arrange for their predicted grades to be sent to the University of Alberta directly by their school. The offer will become unconditional on presenting final Class XII board results meeting the university's requirements.
Indian State Boards	To be considered for a conditional offer, students will need to submit school results for Class XI showing a competitive average and course registration for Class XII, or Class XII mid-year results. The offer will become unconditional upon receipt of the final Class XII board results meeting the university's requirements. For more information please visit <a href="http://uab.ca/india">uab.ca/india</a>
US SYSTEM	
BOTH SCHOOL AND CURRICULUM validated by a RECOGNIZED US BODY	To be evaluated for a conditional offer, students would need to present Grade 10 and 11 school results including the course registrations of their final Grade 12 year. The offer would become unconditional upon receipt of final results and meeting the University of Alberta's requirements.
SCHOOL AND/OR CURRICULUM NOT validated by a RECOGNIZED US BODY	For the University of Alberta to recognize school-awarded course marks, both the school and curriculum need to be validated by a recognized US body. If the school is not, students will need to present all the required subjects through standardized tests (e.g. AP, SAT, SAT subject tests). For more information visit <a href="http://uab.ca/equiv">uab.ca/equiv</a>

## CONNECT WITH THE U OF A COMMUNITY

### Get in touch with a recruiter

One-on-one advisor sessions  
Designed to help answer all of  
your questions—from applications  
to awards—you can meet with a  
general advisor to discuss program  
options, admission requirements,  
and the application process. Or,  
choose a faculty advisor to chat with  
specifically about your program of  
interest. [uab.ca/advising](http://uab.ca/advising)

### Unibuddy

Want to know what it's like to study  
at the U of A? Ask a current Student  
Ambassador! Sign-up for our  
Unibuddy platform to filter and find  
the perfect person you would like  
to message about their university  
experiences.

Our ambassadors aim to respond  
within 24 hours of receiving your  
message, but being a student gets  
busy so please be patient with them.
