# EXPLORE CAMPUS HOUSING

**APPLY BY APRIL 30, 2020  
TO GUARANTEE YOUR SPOT  
IN RESIDENCE**

## YOUR HOME AWAY FROM HOME

**North Campus is home to Lister Centre, our main first-year residence with five towers, and great views of campus and the city. [uab.ca/residence](http://uab.ca/residence)**

### FIRST-YEAR RESIDENTS

Get more out of your university experience by living in residence! Living on campus in residence puts you right in the centre of all the University of Alberta has to offer. Specialized Residence programming is part of living in residence; supporting your success in all aspects of your life on campus—including academics, community and your health.

First year residences include Lister Centre, Peter Lougheed Hall and Résidence Saint-Jean (french only - located on Campus Saint-Jean). Lister Centre is the primary residence for first year students, located on the UAlberta north campus.

### RATE ESTIMATES

**First year students - dormitory-style rooms:** \$737 – \$2,284 per month (includes rent, meal plan and programming), depending on residence and room type

**Upper year students - apartment style units:** \$534 – \$1,567 per month

Residence rates are estimates effective May 1, 2019 and are subject to change. For updated rates, please consult [uab.ca/residence](http://uab.ca/residence)

### MEAL PLANS & FOOD OPTIONS

First year residence in Lister Centre and Peter Lougheed Hall includes a meal plan. This means that you can focus on your classes and friends instead of shopping for groceries, cooking and doing dishes. Gluten-free, halal, vegetarian and vegan are among the many options available each day.

If you live in a residence that does not include first-year programming and the meal plan, there are many food options. Voluntary meal plans can be purchased and used in both dining halls. Residents can also enjoy meals on campus at numerous restaurants that offer a variety of different cultural cuisines, including vegetarian, vegan, gluten free and halal food. Nearby grocery stores allow residents to shop for and prepare their own meals.

## OPTIONS FOR EVERYONE

**There are residence options for students on all UAlberta campuses.**

### OTHER CAMPUSES

Augustana Campus is located in the city of Camrose, approximately an hour's drive from Edmonton. Augustana residents will enjoy a dormitory environment with a strong sense of community in the centre of campus, just a short walk from classes and the many on-campus activities.

Campus Saint-Jean is located in Edmonton's French Quarter - approximately a 15-minute drive from North Campus. Francophone residents of Residence Saint-Jean will appreciate the architecture of the historic original building, where no two rooms are alike and every room is private.

### OFF-CAMPUS LIVING

UAlberta is located centrally in Edmonton, and there are many housing options available in this area and throughout the city. You can search for off-campus housing using the Students' Union Housing Registry. [www.su.ualberta.ca](http://www.su.ualberta.ca)

### LIVE ON CAMPUS FOR YOUR WHOLE DEGREE

After your first year at the University of Alberta, you can live in one of our upper year residences. There are many different types of living options for all your campus housing requirements.

### APPLY EARLY

You do not need an offer of admission to apply for UAlberta Residence, only an open application to study. Apply for Residence by April 30, 2020, to guarantee your spot.

### PROGRAMMING

Did you know that research indicates that students living in residence are in a better position to succeed academically, compared to those living off-campus? Our Academic in Residence (a university PhD student) and Peer Tutor Program are just two ways we are here to help improve and support your academic skills.

### RESIDENCE ORIENTATIONS

Residence Services programming starts right when you move in, running all week. Our Residence orientation programs help you connect with your new community and provide you with important information to set you up for success through your whole school year.
