

**Applications for the University of Alberta open on October 1, 2019.**

Before applying, here are a few things you'll need during the application process. Based on the program you apply for, you will be asked to upload documents (PDF format) along with your application.

**High School Students:**

- Grade 11 and 12 grades
- High school transcripts
- Alberta student number
- University of Alberta campus choice
- Program you would like to apply to
- Method of payment for the application fee (credit card)

**Current or Previous University/College Students:**

- Academic history
- Transcripts (digital copy of high school and post secondary)
- University of Alberta campus choice
- Program you would like to apply to
- Method of payment for the application fee (credit card)

Once you have applied, you'll have access to our new application system, UAlberta Launchpad, to view your application status. Additional information about UAlberta Launchpad will be available beginning on **October 1, 2019**.
