ALUMNI & EXTERNAL COMMUNITIES

GOAL

We will foster vital and enduring relationships with our alumni, community partners and donors.
OBJECTIVES

I. Increase and sustain reciprocal community relations and engagement

II. Work with alumni and community partners to explore research and learning opportunities that strengthen Faculty-community relations while addressing community-identified concerns

III. Increase and deepen engagement with our alumni to create an involved, motivated group of advocates and champions.

THINGS WE’VE ACCOMPLISHED

• Conducted an Arts-specific survey to better understand our alumni’s perceptions and needs

• Developed new programs for young alumni such as job preparation and networking opportunities

• Continued new outreach to stakeholders through events including Dean’s Breakfast and mixer series across Canada

• Renewed several agreements with foreign governments and organizations in support of our Centres and Institutes
