

# BACHELOR OF ARTS (BA) POLITICAL SCIENCE

Much more than how a bill becomes a law! Explore a variety of topics, including: local, national and international state-society relations; the many faces of power; critical approaches to settler-colonialism; democracy at the polls and in the streets; why gender matters in politics; and theories of citizenship, rights and justice.

## OFFERS COURSES IN...

- Canada, China, U.S., Middle East, Europe
- Indigenous politics
- International relations
- Social justice
- Environment and energy
- Populism
- Gender
- Media
- Ethnicity and nationalism
- Global governance

## COURSE REQUIREMENTS FOR YOUR MAJOR

Complete your major requirements and test out different classes. *Design your academic plan — you're in control!*

  - POL S 201 - Introduction to Indigenous Politics
  - POL S 211 - Introduction to History of Political Theory
  - POL S 212 - Introduction to Contemporary Political Theory
  - POL S 224 - Canadian Government
  - POL S 225 - Canadian Politics
  - POL S 235 - Introduction to Comparative Politics
  - POL S 250 - The Politics of Gender
  - POL S 261 - International Relations
- Two POL S courses at the 300- or 400-level
- Two POL S courses at the 400-level.

To verify your Major and BA Common Requirements, check the University Calendar and speak to an advisor.

## WHAT CAN I DO WITH A POLI SCI DEGREE?

**I COULD BE A...** policy advisor, politician, lawyer, reporter, social media co-ordinator, foreign service officer, political strategist.

**OR WORK IN...** government, party politics, business, international development, media, Indigenous policy, education, human rights.

## TOP 5 REASONS TO STUDY POLI SCI

- 1 Apply political ideas, ideals, and information to real-life events. You'll get ready to offer solutions to crucial local, national, and global issues!
- 2 Take your study of governments and politics to a model United Nations, European Union Council, or Parliament. Or help host the popular U of A High School Model United Nations.
- 3 Work with a professor on a major research project — it could even be funded! Submit a paper to the Political Science Undergraduate Review.
- 4 Do an internship in Washington, D.C, or study in historic Cortona, Italy, two of the many opportunities to go abroad.
- 5 Gain professional experience, network, and consider career options in a full-time paid Arts Work Experience.

## BA POLI SCI (MAJOR)

- Required Poli Sci Courses (Major)
- BA Basic Requirements
- Second Major, Minor(s), Certificates, Electives

## ENHANCE YOUR DEGREE

# BA POLITICAL SCIENCE DEGREE GUIDE

Your University experience is about what happens inside and outside of the classroom. This map is a tool to help you complement your academics with hands-on learning outside of the classroom and take advantage of student activities. Each new step will help you explore your options, take measured risks, and inform your next step. Being informed and engaged leads to a richer journey throughout your degree and beyond!

## LEGEND

-  GLOBAL PERSPECTIVE
-  GAIN EXPERIENCE
-  SEEK OUT CONNECTIONS
-  NAVIGATE COURSES

## EARLY DEGREE

Expand your career options, be proactive, and test possibilities. Join a student group.

Check out the films and talks offered during International Week, or attend a China Institute event. Intro courses with Indigenous content to provide insight into global and Canadian politics.

Learn more about Indigenous peoples, perspectives, and worldviews.

Apply to Arts Work Experience, or International Student Work Experience for paid, professional experience and stronger transferrable skills.

Gain valuable resources with a part-time or summer job. Check the SU Volunteer Registry for opportunities to contribute to the community.

From 400+ student clubs, groups, and teams, pick one that fits your interests, talents, values, goals, or identities.

Use academic resources, such as Financial Aid, Academic Success Centre, Accessibility Resources, U of A International, or the First Peoples' House.

## MID-DEGREE

Take risks, try new things, ask for and offer help to people you know and people you meet.

Submit a paper to a student journal or conference. Each year, Political Science awards support superior work.

Make a difference by participating in student government at any level — Political Science, Arts, the Students' Union. You can run for office or be a campaign manager!

Study abroad in Cortona, Italy, or in an e3 program for guaranteed credit. You can apply for funding.

Improve your French in Quebec or France. Do an U of A-supported internship in Washington, D.C.

## LATE DEGREE

Develop and revise your career story based on your values, interests, and what you learn.

Let the Career Centre help you craft a targeted resume and make effective use of social media to prepare for your next steps.

Your small, seminar courses are a unique opportunity to get to know, and interact with, your professors and classmates.

Ask two or three professors to give you references. Use their advice about careers and graduate studies!
