## Residence Exemption Form

In order to ensure that you get the most out of your university experience, we guarantee housing for all full-time first year students entering Augustana! Because of this, we require our full-time students to live on campus for at least their first year. Exemptions may be granted to students in the situations listed below.

If you wish to be considered for a Residence Exemption, please complete this form. You will be considered by the Prospective Student Office and, if granted, the requirement will be removed from your BearTracks To Do List.
