Evaluators

Submit the names of the evaluators selected in consultation with your supervisor:

Fill in the blanks below and submit to Kelsey Robertson (karobert@ualberta.ca) **at least one week before the seminar**. This form is expected to be accompanied by your title and abstract.

In addition to the course coordinator, two Biochemistry professors will serve on my evaluation committee. In consultation with my supervisor, these professors have been contacted. They have agreed to participate in the grading of my seminar. These professors are:

1) Dr. _____, who is the Biochemistry Department professor knowledgeable in the area of the seminar topic (this member can be from the thesis advisory committee)

AND

2) Dr. _____, who is the Biochemistry Department professor not knowledgeable in the area. Note that this member cannot be from the thesis advisory committee.

Reminder: The course coordinators (Drs. Bleackley, Michalak, and Overduin) cannot act as one of your evaluators.
