

# UAlberta Energy MBA

## Schedule Overview\* (60 credits)

### **Course Delivery Formats:**

*Standard Format:* Classes are delivered online through primarily asynchronous delivery. There may be some synchronous elements. Courses are designed to run over the entire term.

*On-Campus:* This would be a one-week intensive format course delivered either on the University of Alberta's main campus in Edmonton or a comparable location in Calgary and Ft. McMurray. Students would be responsible for travel/accommodation costs to attend these sessions.
