Dr. Bruno Nkuiya (Department of Economics, University of Alberta) is seeking a Ukrainian candidate for a postdoctoral position in Resource and Environmental Economics.

The UofA’s Department of Economics seeks applications for a post-doctoral position in Resource and Environmental Economics. The ideal candidate must have strong empirical or theoretical research skills, and the salary will be commensurate with qualifications. The fellow will work with Professor Bruno Nkuiya on research related to a combination of fisheries economics; international agreements; resource extraction; the regulation of polluting industries.

**Required qualifications:**

- Ph.D. (or equivalent international degree) by start date in economics, finance, and/or related fields
- Strong empirical or theoretical economics research skills and programming experience
- English language proficiency, excellent skills in communication, presentation, and technical writing
- Self-motivation
- Preferred: Demonstrated interest in research focusing on resource and environmental economics

**Available funding: TBD**

**To apply:**
Please send your resume (four pages maximum), a cover letter, and a research paper or academic writing sample to **duss@ualberta.ca** with the subject line: “Ualberta Res Econ Post Doc.”

We thank all applicants for their interest; however, only those individuals selected for an interview will be contacted.

The University of Alberta is committed to an equitable, diverse, and inclusive workforce. We welcome applications from all qualified persons. We encourage women; members of visible minority groups; persons with disabilities; persons of any sexual orientation or gender identity and expression; and all those who may contribute to further diversification of ideas at the University to apply.
