\*Staff members are not required to stay as this is meant to be a student consultation.

***From the Office of the Dean of Students team, thanks so much for your participation in DAC this year and good luck with your final projects and exams!***

***We would like to show our appreciation by inviting you to the End of Year Celebration for the Dean of Students' Portfolio, held on April 13, 3-5 PM at the Faculty Club.***

***As part of the celebration, we will be giving out service awards. Note that one of these awards is a student-nominated category. We encourage you to nominate anyone with whom you've worked with in the Dean of Students Portfolio (that includes all the student services [listed here](#)) who has gone above and beyond in supporting you or others. You can find the nomination form here:***
