Improving the odds of your older frail patient going home: Revisiting GAT and Rehab

Dr. Frances Carr
Assistant Professor
Division of Geriatric Medicine

Dr. Diana Rucker
Associate Clinical Professor
Division of Geriatric Medicine

Objectives:
1. Recognize the importance of early multi-disciplinary interventions for hospitalized older adults
2. Recognize the Impact of the Comprehensive Geriatric Assessment (GAT)
3. Understand the role & services offered by the GAT
4. Review a new GAT QI initiative
