

MEDICINE GRAND ROUNDS

FRIDAY, APRIL 26, 2024

08:00 - 09:00

The Landscape of Bias in Academic Medicine

Dr. Fiona Rawle, PhD

Co-Chair, Toronto Initiative for Diversity & Excellence
University of Toronto Mississauga

Objectives:

- Summarize the existing evidence on representation and bias
- Explore case studies to describe best practices on how to advance equity and inclusion in clinical and academic practices
- Explain how bias can affect decision-making
- Explore strategies for reducing the effect of bias on structural and personal practices
