

FIGHT THE FLU

- ❖ The Influenza Campaign will launch Oct 11th - Nov 3rd.
- ❖ No patient should get influenza from our staff while in our care. Without the protection of the vaccine, you are not immune.
- ❖ You can spread influenza to your patients, coworkers, loved ones and community one day before you know you are sick.
- ❖ Getting immunized is crucial to making our workplaces safe and healthy for our patients and each other.

Important Information to Note:

You will require your AHS ID and Personal Health Number (this is a provincial requirement – without it we can't immunize you). Your PHN can be a physical copy, photo, or memorized number.

On site Rexall & KEC Pharmacies will be immunizing both public and staff. Their campaign will run October 16- 27th. They are offering Flu, updated Moderna and Pfizer COVID vaccine, and pneumovax (over 65) ...all public funded. **No need to book online; can stop by the booth or pharmacy.** Booth is open Monday-Friday 0830-1630. Pharmacy is open Monday-Friday 0800-1900 and Saturday 0800-1300.

KEC: They have Flu, updated Moderna and Pfizer COVID vaccine, Pneumovax and have the option to give RSV for patients who have coverage. Drop in for our location is Monday-Friday 0830-1630.

If you get your immunization from a pharmacy, physician, or Public Health? Don't forget to report your immunization to WHS.

Site Influenza Immunizers

- ❖ We will have stationary pop-up stations throughout the site to assist in immunizing all Staff and Physicians.
- ❖ Hours will vary by program.
- ❖ They will encompass days, evenings, and weekends!
- ❖ Immunization hours will be adjusted to accommodate night staff.
- ❖ The immunizers will only be administering the flu vaccine and not any Covid

WHS Clinics

- ❖ All WHS clinics will offer Influenza immunizations to all health care workers at AHS sites across the zone. UAH site location is in the lower Bernard Snell Hall.
- ❖ WHS will have stationary clinics that offer both the influenza and COVID immunizations.

Please note: COVID immunizations for the UAH WHS clinic are fully booked, but there are opportunities to receive it at other WHS clinics, community and onsite pharmacies. At this point in time, WHS will be providing Moderna COVID vaccine only.

- ❖ Influenza immunizations can be booked by appointment or drop-in.
- ❖ To book an appointment please go to: [Influenza Immunization Appointment](#)

Booking Your Appointment

- ❖ The booking tool launched Tuesday Oct 3rd.
- ❖ There is a link on Insite where people can look at all the WHS walk-in clinics.
