1. Agenda Approval
  - 1.1. Agenda approved.
  
2. Storytelling
  - 2.1. The FA's still need some clarity. The Instagram account is already posting content and it is challenging as the food is currently takeout due to the AHS restrictions.
    - Tea advised the goal is to promote dining. As storytellers they are providing information and experience pieces.
    - They met with Eric and he gave ideas but they are already posted by Dining Services (pop-ups etc.).
    - Bradly suggested "Caf Hacks".
    - Blanka noted the residence experience is minimal currently due to COVID and they are eating in their rooms.
    - The storytelling will be put on hold for now at least until students are able to eat in the dining hall.
  
3. Dining Hall Safety
  - 3.1. No additions to the current AHS restrictions.
  
4. Communications & Marketing
  - 4.1. No pop-ups currently scheduled due to restrictions (limits in dining hall).
  - 4.2. Taste of Nations meals are featured once per week.
  - 4.3. There will be two Bear Necessities recipes featured in February.
  - 4.4. The February calendar will be posted and shared next week.

5.2. Requests

Lister Feedback

- Lorraine will follow-up on the following requests:
  - More frequent trash collection on the floors.
  - Cleanliness/cleaning schedule of the lounges.
  - Composting solutions for the takeout containers if we continue with current restrictions.

6. Roundtable

6.1. Bradly is glad that the dining hall capacity rules are enforced without long wait times. He would like to see takeout as an option when the dining hall opens for students who are high risk with pre-existing conditions.

6.2. Blanka likes the personal and social interaction with the staff even though there is less social interaction with students.

6.3. Tea advised about the LHSA VP's community art project on each floor in residence. Each floor will have a canvas that can be displayed later as a community art project.

Also, the student evaluations are showing that students are hopeful the dining hall will open again.

6.4. Lorraine updated the group about the changes to the FA program next year. They are currently in the process of posting positions for next year. The positions will fall under Residence Services with the FA's being paid hourly instead of the ONEcard payment. Also, second terms for FA's (September 2021) are encouraged. The criteria will be the same with additional information provided on the storytelling piece.
