</tr>
</thead>
</table>
| □ Degree (After Degree Student) | □ A 3- or 4-year degree from an accredited post-secondary institution ***  
□ Competitive admission grade point average (AGPA) |

Notes:
1. All degree coursework must be completed prior to May 1\textsuperscript{st}. Degree must be awarded and confirmed on your transcripts for the document deadline.

2. For all routes: if 6 credits in English Language/Literature (Elementary Education) or English/French Literature and Composition (Secondary) have not been successfully presented in the first degree, these must be successfully completed within the After Degree program to meet graduation requirements.

3. If 3 credits of Mathematics/Statistics are not presented upon admission to the Elementary After Degree route, they must be completed within the After Degree program to meet graduation requirements.

4. CTS Majors who hold a journey certificate (e.g., provincial and federal journey certification or two-year diploma) may be granted up to 30 credits advanced standing.

*** In most cases students must apply to see if their degree is recognized.

How long is the program?

Elementary
The After Degree in Elementary is typically 54-60 credits. Requirements completed prior to admission may reduce the length of the program. Students entering the program without 6 credits in English Literature/Composition and 3 credits in Mathematics/Statistics/Computing will be required to fulfill the requirements as part of their program, possibly extending it up to 69 credits to complete.

Secondary
The After Degree in Secondary will vary in length according to the courses presented at the time of admission, and can range from just under two years to a maximum of four years. Students entering the program without 6 credits in English/French Literature and Composition will be required to fulfill this requirement as part of their program.

The reason for the range in length of time to complete is due to the fact that students may want to explore another area of interest. For the Secondary route students will choose a major and a minor.

For specific course requirements, please visit our website: education.ualberta.ca.

Navigation: Programs → Undergraduate Admissions → After Degree

Full After Degree requirements for both routes can be found in the University Calendar.

- The Alberta Transfer Guide (www.transferalberta.alberta.ca) lists course equivalencies for Alberta colleges and university-colleges to the University of Alberta.
- Spoken English Language Proficiency is a requirement for this program.
