FACULTY OF AGRICULTURAL, LIFE & ENVIRONMENTAL SCIENCES

Statement of Motivation and Interest

Please write a short statement (1-2 pages) describing why you are interested in pursuing a course-based master's program specializing in Food Safety and Quality or Meat Quality in the Department of Agriculture, Food, and Nutritional Sciences. Explain how your program of interest relates to your career goals, listing your academic, research and professional plans, and how your background (scholastic/academic training and work experience) make you a suitable candidate to complete this program.
