THE WELLNESS FUND

WHO WE ARE

The Wellness Fund promotes sustainable, healthy school communities across the province by providing facilitated support and grants to schools and jurisdictions. This approach enhances health and wellness among school-aged children and youth using a Comprehensive School Health (CSH) framework.

This is made possible by funding provided by Alberta Health.

The Wellness Fund is a health promotion initiative that, since 2007, improves the lives of more than 400,000 students across all of Alberta's 61 public, separate and francophone school jurisdictions.

VISION

Albertan children and youth experience ideal health and learning, and belong to healthy school communities which enable them to flourish.

MISSION

To provide facilitated support to school communities across Alberta to improve students' health and learning outcomes while addressing wellness in a planned, integrated and holistic way using a whole-school, comprehensive school health approach.
