DOWN TIME FOR EMIRHSE@UALBERTA.CA

Just after noon on Friday December 12, our E-mail address emirhse@ualberta.ca disappeared from the face of the earth. Until today, ARAS was scrambling to try to get back on the air. It turns out the University decided that all accounts would have to be renewed annually, and our time ran out last Friday. With the help of Fran Russell at External Relations we finally got back to normal today.

BOOK CLUB

The next meeting of the Book Club takes place on Wednesday, **January 21st** at 2:30 pm in Room 1-46 of University Terrace (8303 112 Street). The discussion of *Clear by Carys Davies* , will be led by Vivien Bosley. Members may participate either in-person or online. Beverley O'Brien (bo1@ualberta.ca) will send a Zoom link beforehand for those wishing to join virtually. If you wish to join the

group, please contact Vivien Bosley at vbosley@ualberta.ca .

Please note that University Terrace is locked but there will be someone to meet you at the door when you arrive.

Big Thinking Summit 2026: Inflection Point

June 9 to 11, Edmonton Convention Centre, Edmonton, Alberta

The Federation's Big Thinking Summit: Inflection Point will bring the humanities and social sciences (HSS) to the forefront. Together, we must draw on historical, linguistic, cultural, and practice-based perspectives to open new possibilities for a Canada at the crossroads. Questions of legitimacy — who produces knowledge, whose voices are amplified, and how authority is recognized — are pressing to the fore. As public trust in postsecondary institutions is tested, shifts in cross-sector partnerships must reshape how research connects with policy and community priorities. Innovations in teaching, inquiry, and knowledge sharing must redefine scholarship and how it circulates across all of society.

Calling on academics, community partners, and policymakers from across Canada to forge new collaborations and tackle these critical questions at the Big Thinking Summit: Inflection Point.
