DINING OUT

Peggy has booked an end of summer dinner for us at the University Club on **Thursday, August 29**. Dinner will be at 6:30 pm and out on the patio if the weather permits.

Parking is free for members. There is no barbeque on Thursdays but the regular menu is available. It will be good to get together again after the short July hiatus. If you plan to attend, please contact Peggy at

peggyallegretto@gmail.com

ARAS PICNIC

The Association of Retired Academic Staff (ARAS) invites you to join us for a picnic on **September 17th at 4-8pm at Emily Murphy Park Site #1**. The site is covered and we will be providing complimentary food and drink. The picnic provides an opportunity to meet new and familiar faces from the university community. We intend for this to be a time for fun and reflection on ARAS's various activities. If you plan to attend please contact us at

Invitation to the Age-Friendly University

As part of our commitment to bringing people together, we will host the first Age-Friendly University North American Region Gathering on **Thursday, September 5th** from 1:30 PM to 3:00 PM Eastern (10:30 AM Pacific to 12:00 PM Pacific)

[Please register for the event here.](#)

We see this as the first gathering – something we hope to make regularly – where we can share updates, discuss potential ideas, and identify opportunities for advancing age-friendly higher education institutions. We will start with

a very brief welcome and introduction from the Global Secretariat and then spend the time through a breakout and group discussion-sharing practices, identifying new activities, and getting to know one another.

I am excited to see many of you there. If you cannot attend this event, and there is enough interest, we will also aim to hold one in October!

OFFICE ASSISTANT

Damdini will be in the office every Monday from 2-5pm.
