

## **Master of Science in Speech-Language Pathology**

### **Application: Statement of Interest**

Please answer the following questions.  
Note that Question 4 is optional.  
Do not exceed two double spaced pages.

Our goal is to get to know you better in terms of your interest in Speech-Language Pathology and your alignment with the values of the department. Your application will be reviewed in detail initially by two faculty members and then by the admissions committee.

1. Why do you want to pursue graduate training in Speech-Language Pathology and, why at the University of Alberta?
2. What unique qualities will you bring to a graduate training program in communication sciences and disorders?
3. Please describe your perspective on equity, diversity, and inclusion (EDI) and/or your personal experiences with respect to EDI. How will these perspectives impact your role as a future SLP or student in the MScSLP program?
4. We may not have asked something that you find important to share with the admissions committee. Let us know if there is anything else that we should know when reviewing your application.
