

Seasonal Immunization Campaign Launch

13-Oct - 6-Nov

Protect yourself. Protect your patients. Without vaccination, you are vulnerable to influenza and can unknowingly spread it to those in your care.

Feeling well doesn't always mean you're not infectious.

Save time by getting both your COVID-19 and influenza vaccines in one visit. The vaccines are given as separate doses and can be safely administered together

What to bring:

EMPLOYEE ID (physical Card) and Alberta Healthcare Card Number

**Without the healthcare number we are unable to Immunize

Out of Province Health Care Numbers

No Alberta Health Care card? No problem.

Flu and COVID-19 vaccines are still available through WHS Occupational Health Nurses in Bernard Snell Hall.

Site Influenza Immunizers

Available DAYS, EVENINGS and WEEKENDS

Hours vary by program and will be adjusted for night staff.

Stationary or roving carts* will be utilized throughout the site for immunizaing Staff and Physicians.

**** NEW** - both Influenza & COVID-19 vaccines will be available on the carts this year

On-Site Rexall Pharmacy at UAH and KEC*

Campaign Dates: 19-OCT - 30-OCT

Open to staff and the public.

Vaccines Available: Regular Dose Influenza. High-dose Influenza Vaccine (for eligible individuals) COVID-19 vaccine, available once again through Rexall Pharmacy this year.

Convenient onsite immunization at UAH and KEC.

If you receive your vaccine through Rexall Pharmacy, please remember to submit your immunization through **Got My Shot** so your record can be updated.

WHS CLINICS

Flu & COVID-19 vaccines will be available starting:

Tuesday 13-OCT - at Workplace Health & Safety (WHS) clinics.

Location: Bernard Snell Hall, Main Floor (WMC)

Drop-in only (no online booking available)

 Regular dose Influenza Vaccine

 COVID - 19 Vaccine
