

The Influenza Campaign
will launch:

13-OCT - 6-NOV

Protect yourself. Protect your patients. Without vaccination, you are vulnerable to influenza and can unknowingly spread it to those in your care.

Feeling well doesn't always mean you're not infectious.

Save time by getting both your COVID-19 and influenza vaccines in one visit. The vaccines are given as separate doses and can be safely administered together

What to bring:

AHS ID (physical Card) and
Alberta Healthcare Card
Number

****Without the healthcare
number we are unable to
Immunize**

Out of Province Health Care Numbers

No Alberta Health Care card? No
problem.

Flu and COVID-19 vaccines are still
available through WHS Occupational
Health Nurses in Bernard Snell Hall.

Available **DAYS, EVENINGS** and **WEEKENDS**

Hours vary by program and will be adjusted for night staff.

Stationary or roving stations* will be utilized throughout the
site for immunizing **Staff and Physicians.**

**** NEW** - both Influenza & COVID-19 vaccines will be available on the
carts this year

Campaign Dates: 19-OCT - 30-OCT

Open to staff and the public.

Vaccines Available: Regular Dose Influenza. High-dose
Influenza Vaccine (for eligible individuals) COVID-19 vaccine,
available once again through Rexall Pharmacy this year.

Convenient onsite immunization at UAH and KEC.

If you receive your vaccine through Rexall Pharmacy, please
remember to submit your immunization through **Got My
Shot** so your record can be updated.

Flu & COVID-19 vaccines will be available starting:

Tuesday 13-OCT - at Workplace Health & Safety (WHS) clinics.

Location: Bernard Snell Hall, Main Floor (WMC)

Drop-in only (no online booking available)

Regular dose Influenza Vaccine

COVID - 19 Vaccine
