iHuman: <https://ihuman.org/>

Mission: Empowering Edmonton's At-Risk Youth - We are dedicated to altering the trajectory of at-risk youth through wrap-around services, arts programming and mentorship. iHuman has created a holistic sanctuary that fosters growth, creativity, and resilience. We support youth (ages 12-24) to navigate complex systems such as housing, transportation, mental health, justice, financial assistance, medical care and more.

Youth Restorative Action Project: <https://www.yrap.org/>

Mission: To work with young people who have caused harm while being affected by a variety of significant social issues such as intolerance, racism, substance abuse, homelessness, family violence and prostitution. We also offer those who have caused harm an opportunity to take responsibility for their actions and to grow positively, while offering victims a meaningful role in the process.
