

Starting A FieldNote in cbme.med

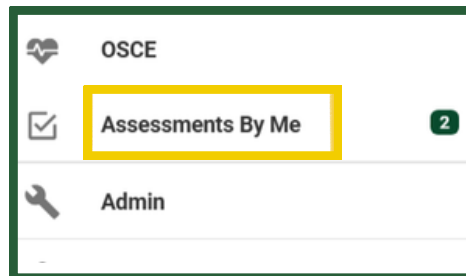

Step 1:

Login to
cbme.med.ualberta.ca
using your CCID

Step 2:

From the menu on the left, preceptors select “Assessments by Me” and residents select “My Assessments”

Step 3:

Select “+START NEW” on the top right to begin a new FieldNote.

+ START NEW

Step 4:

Select the resident or preceptor by typing their name and selecting the FieldNote, then press select to begin.

If a preceptor is not listed, the resident can add them.

Residents can complete a FieldNote for themselves by selecting none as the preceptor and then it will be logged as a self-entered FieldNote.

Select Assessment and Resident to Evaluate

Resident: Demo, Resident

Assessment Form: FieldNote

+ Add New

Cancel Select

Step 5:

Complete all of the required fields.
