

Cross-Cultural Communication during Critical Illness: A Matter of Bioethical Relevance

Nikita-Kiran Singh, MD, FRCPC
Clinical Lecturer,
Department of Critical Care Medicine,
Faculty of Medicine and Dentistry,
University of Alberta;
Graduate Student, Harvard Medical School

Thursday, 5 February 2026
12:00 - 13:00 MST
ONLINE via Zoom application
[Click to Register](#)

List of Objectives:

- To describe bioethical considerations in cross-cultural communication for patients and families experiencing critical illness
- To explore how cross-cultural communication underscores barriers to care that threaten health equity and justice
- To discuss strategies for fostering cultural safety, particularly in the critical care environment
