

Faculty of Nursing Internal Policy Concerning a First Request for a Doctoral Program Requirements Extension

Aside from the Faculty of Graduate and Postdoctoral Studies (GPS) form that must be completed by the student and supervisor(s), a supporting document from the supervisor must be submitted to the Associate Dean, Graduate Studies of the Faculty of Nursing.

- Supporting document from the supervisor: An explanatory letter summarizing the student's progress to date, explaining why the student has not completed program requirements, and stating when these requirements should be completed. Typically, students who have not completed their requirements have not completed the candidacy examination. Proposed dates should be included in the document submitted by the supervisor.

The supporting document may be submitted by email along with the GPS form to nugrad@ualberta.ca.
