

Human Anatomy

Province/State	University	Course Number	Course Name	Course Weight	Notes
Alberta	MacEwan University	PEDS 100	Structural Anatomy	3	
Alberta	Kings College	BIOL 207	Human Anatomy	3	
Alberta	Mount Royal University	PHED 1001	Human Anatomy	3	
Alberta	Mount Royal University	HPED 1512 / PHYL 1512	Human Anatomy	3	Formerly PHED 1001
Alberta	Mount Royal University	HPED 2112	Clinical Musculoskeletal Anatomy	3	Will be accepted as long as PHED 1001 was taken as well. The grade from the most recent course taken will be used in the overall admission score, both must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Alberta	Red Deer Polytechnic	KNSS 200	Structural Human Anatomy	3	
Alberta	University of Alberta	PTHER 350	Structural Human Anatomy	3	Distance Education
Alberta	University of Alberta	ANAT 403	The Human Body	6	
Alberta	University of Alberta	KIN 100	Structural Anatomy	3	
Alberta	University of Alberta	KIN 400	Human Gross Anatomy	3	
Alberta	University of Alberta	NURS 140	Anatomy	3	
Alberta	University of Alberta (Augustana)	AUPED 112	Structural Human Anatomy	3	
Alberta	University of Calgary	KNES 259/260	Human Anatomy & Physiology I & II	6	3 credits of Anatomy and 3 credits towards the Physiology requirement. Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Alberta	University of Lethbridge	KNES 2600	Functional Human Anatomy	3	
British Columbia	Capilano University	KINE 390	Advanced Musculoskeletal Anatomy	3	
British Columbia	Simon Fraser University	BPK 325	Basic Human Anatomy	3	Distance Education.
British Columbia	Simon Fraser University	BPK 326	Functional Anatomy	3	
British Columbia	Thompson Rivers University	BIOL 3701	Human Anatomy for Health Care Professionals	3	Distance Education
British Columbia	Trinity Western University	HKIN 446	Advanced Human Anatomy	3	
British Columbia	University of the Fraser Valley	KIN 170	Basic Human Anatomy	3	
British Columbia	University of British Columbia	ANAT 400	Human Anatomy	3	
British Columbia	University of British Columbia	KIN 110	Human Anatomy	3	
British Columbia	University of British Columbia	KIN 390	Human Functional Musculoskeletal Anatomy	3	Students must take the KIN 190 prerequisite at UBC in order to be granted Anatomy credit for this course.
British Columbia	University of British Columbia	CAPS 391	Introduction to Gross Human Anatomy	3	
British Columbia	University of British Columbia	CAPS 393	Human Anatomy for Physical Therapy Students	3	
British Columbia	University of British Columbia - Okanagan	HMKIN 391	Advanced Functional Anatomy	3	
British Columbia	University of British Columbia - Okanagan	HES 120	Functional Anatomy	3	
British Columbia	University of British Columbia - Okanagan	HES 320	Functional Anatomy	3	
British Columbia	University of Victoria	KIN 301	Advanced Anatomy	3	
British Columbia	University of Victoria	EPHE 141	Introductory Human Anatomy	3	
British Columbia	University of Victoria	EPHE 355	Fuctional Anatomy	3	
British Columbia	Vancouver Island University	PHED 201	Human Anatomy	3	
British Columbia	Vancouver Island University	KIN 301	Advanced Anatomy	3	
Manitoba	University of Manitoba	KPER 2320	Human Anatomy	3	
Manitoba	University of Manitoba	BIOL 1410	Anatomy of the Human Body	3	
Manitoba	University of Winnipeg	KIN 2301	Human Anatomy	3	
New Brunswick	University of New Brunswick	KIN 2252	Functional Human Anatomy	3	
Newfoundland	Memorial University	HKR 2310	Human Anatomy	3	
Nova Scotia	Acadia University	KINE 1413	Human Anatomy 1	3	
Nova Scotia	Acadia University	KINE 3053	Human Anatomy 2	3	
Nova Scotia	Dalhousie University	ANAT 1010	Basic Human Anatomy	3	Distance Education
Nova Scotia	Dalhousie University	ANAT 1020	Basic Human Anatomy	3	
Nova Scotia	Dalhousie University	KIN 2320	Kinesiological Anatomy	3	
Ontario	Brock University	CHSC 2F95	Human Anatomy	6	
Ontario	Brock University	HLSC 2F95	Human Anatomy/ Functional Human Anatomy	3	
Ontario	McMaster University	KIN 4J03	Functional Anatomy	3	
Ontario	McMaster University	KIN 2E03	Musculoskeletal Anatomy	3	
Ontario	Queen's University	ANAT 100	Anatomy of the Human Body	3	
Ontario	Queen's University	ANAT 101	Introductory Human Anatomy	3	
Ontario	Queen's University	ANAT 315	Human Musculoskeletal System	3	
Ontario	Queen's University	ANAT 215/216	Principles of Human Morphology	3	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Ontario	Queen's University	ANAT 380	Clinically Relevant Human Anatomy	3	

Ontario	Trent University	BIOL 1050	Human Anatomy	3	
Ontario	Trent University	KINE 2001	Anatomy of Human Movement	3	
Ontario	University of Guelph	HK 3401/2	Human Anatomy: Dissection	6	Full year course must be taken to meet the pre-requisite requirement
Ontario	University of Guelph	HK 3501/2	Human Anatomy: Prosection	6	Full year course must be taken to meet the pre-requisite requirement
Ontario	University of Guelph - Humber	KIN 1030 & 1040	Human Anatomy	3	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Ontario	University of Guelph - Humber	KIN4040	Functional Anatomy	3	
Ontario	University of Ottawa	APA 1313/1713	Musculoskeletal Anatomy	3	1713 is French version of 1313 (Previously APA 1213 & APA 1613)
Ontario	University of Toronto	ANA126	Human Anatomy for Physical Health & Education	3	
Ontario	University of Toronto	ANA125	Kinesiology Human Anatomy	3	
Ontario	University of Toronto	ANA 300Y	Human Anatomy & Histology	6	
Ontario	University of Waterloo	BIO 301	Human Anatomy	3	
Ontario	University of Waterloo	KIN 100	Human Anatomy: Limbs and Trunks	3	Both lab and lecture component must be completed
Ontario	University of Western Ontario	ANATCELL 2221/9501/9524	Functional Human Anatomy	6	
Ontario	University of Western Ontario	ANATCELL 2201	Anatomy for Physical Therapy Program	6	
Ontario	University of Western Ontario	ANATCELL 3319	Systemic Human Anatomy	6	
Ontario	University of Western Ontario	ANATCELL 3324	Anatomy for Occupational Therapy Program	3	
Ontario	University of Western Ontario	HEALTHSCI 3300 A	Anatomy of the Human Body	3	
Ontario	University of Western Ontario	KIN 3222	Anatomy of the Human Body	3	
Ontario	Wilfred Laurier University	HE 210/HN 210/BI 210	Human Anatomy	3	
Ontario	Wilfred Laurier University	KPE 223	Functional Human Anatomy	3	
Ontario	York University	AS/HH/SC/KINE 2031	Human Anatomy	3	
Ontario	York University	HH/KINE 3460/3465	Regional Human Anatomy I & II	6	Both courses must be taken and completed within the dates listed on the Application Requirements website to meet the Anatomy requirement.
Quebec	McGill University	ANAT 316	Human Visceral Anatomy	3	
Quebec	McGill University	ANAT 315	Anatomy/Limbs & Back	4	
Quebec	McGill University	ANAT 214	Systemic Human Anatomy	3	
Saskatchewan	University of Regina	KIN 260	Human Anatomy	3	Distance Education
Saskatchewan	University of Regina	KHS 168	Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ACB 221	Gross Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ACB 310	Basic Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ANAT 210	Basic Human Anatomy	3	
Saskatchewan	University of Saskatchewan	ACB 801	Human Gross Anatomy	3	
Saskatchewan	University of Saskatchewan	CPPS 310	Basic Human Anatomy	3	
Saskatchewan	University of Saskatchewan	CPPS 221	Anatomy	3
