Step 3 – Go to the [UofA CErRegister EXFRM Course page](#) to create an account and submit the formal application.

The screenshot shows a web browser window with the URL `coned.ualberta.ca/search/publicCourseSearchDetails.do?method=load&courseId=1026869`. The page header includes the University of Alberta logo, a 'Sign In' link, and a shopping cart icon with a '0' badge. Below the header is a navigation bar with links for 'Courses', 'Programs', 'Areas of Study', and 'Designations'. The main content area displays the course title 'EXFRM 2700 - Diagnostic Imaging for MSK Disorders in Primary Care I: Basic Principles and Clinical Decision Making' with a yellow action bar containing icons for email, clock, question, and print. Below the title, it specifies 'Language of Delivery: English' and 'Delivery Options: Online - Asynchronous'. A 'Course Description' section on the left provides details about the learning series. On the right, a 'Find a Section' box lists the section 'EXFRM 2700 - FA1' with dates 'Sep 08, 2025' to 'Oct 17, 2025', delivery mode 'Online - Asynchronous', and price '\$300.00'. An 'Add to Cart' button is prominently displayed below the section details. At the bottom, a 'Section Title' field shows the full course name. A watermark 'Activate Windows' is visible in the bottom right corner of the browser window.

EXFRM 2700 - Diagnostic Imaging for MSK Disorders in Primary Care I: Basic Principles and Clinical Decision Making

Language of Delivery: English
Delivery Options: Online - Asynchronous

Course Description

This learning series focuses on the safe and appropriate usage of diagnostic imaging for the management of common musculoskeletal conditions seen in primary care settings. Module 1 describes the physical principles, safety, limitations and potential benefits of conventional radiographs, CT scan, magnetic resonance imaging and diagnostic ultrasound. It also presents a clinical decision making framework that incorporates the use of evidence based point-of-care decision making tools when considering

Step 5 – Login (if you have an existing account) or Create a new CERegister account

The screenshot shows a web browser window with the URL `coned.ualberta.ca/coursebasket/publicCourseBasket.do?`. The page header features the University of Alberta logo and a shopping cart icon with a '1' badge. Below the header, a breadcrumb trail reads: `Log In / My Profile / Applications / Payment / Receipt`. The main heading is **Log In or Create an Account**, followed by the instruction: *Please select one of the following options*.

There are two main options, each in a yellow-bordered box:

- I have registered already**: This option includes the text: *If you already have a CERegister account, log in using your preferred email and password.* It features two input fields: `Email Address (case insensitive)` and `Password (case sensitive)`. To the right of the email field is a link `Forgot User Name`, and to the right of the password field is a link `Forgot Password`. A yellow `Log In` button is positioned at the bottom right of this section.
- I am a new learner**: This option includes the text: *Enter your email address and create your account.* It features two input fields: `Email` and `Retype Email Address`. A yellow `Create Account` button is positioned at the bottom right of this section.

At the bottom right of the page, there is a watermark that says: `Activate Windows Go to Settings to activate Windows.`

Step 6 - Complete the 'my profile' section to create your account and click 'continue checkout'

The screenshot shows a web browser window with the URL `coned.ualberta.ca/coursebasket/publicPersonalLogon.do?`. The page title is "Checkout". A breadcrumb trail reads: [Log In](#) / [My Profile](#) / [Applications](#) / [Payment](#) / [Receipt](#).

Step 7 – Click ‘start’ to begin your application

The screenshot shows a web browser window with the URL `coned.ualberta.ca/coursebasket/publicPersonallInfo.do?`. The page header features the University of Alberta logo and a shopping cart icon with a notification badge. Below the header, a breadcrumb trail reads: `Log In / My Profile / Applications / Payment / Receipt`. The main heading is **Select Student Application**. A table with two columns, **Application** and **Status**, contains one entry: **Diagnostic Imaging for MSK Disorders Course Approval [EXFRM 2700 - FA1]** with a status of **Not Started** and a yellow **Start** button. A link for [Registration Policies](#) is located below the table. The footer section, titled **CONTINUING EDUCATION**, includes links for **Student Services + Policies**, **Privacy Statement**, **Student Service Centre**, and **Libraries**. A Windows watermark is visible in the bottom right corner.

Step 8 – Complete the application and on the last page click ‘submit application’

The screenshot shows a web browser window with the URL `coned.ualberta.ca/coursebasket/restrictionAppInstance.do?`. The page title is "4. Review and Submit Your Application - Incomplete". The main heading is "Review and Submit Your Application". Below this, there is a section titled "After Submission" with a sub-heading "After Submission: What to Expect". This section contains a bulleted list of four items: 1. Your application will be reviewed by program staff. 2. If any information is missing, you will receive an email outlining what needs to be updated. 3. You can track your application status through the student portal under "My Applications". 4. Once approved, you will receive an email confirmation, and the course will be added to "My Saved Items" in your CERegister student portal. Below the list, a paragraph states: "If you need to make changes after submission, you must contact program staff for assistance." At the bottom of the page, there are four buttons: "Save This Page", "Previous Page", "Save and Finish Later", and "Submit Application". A footer message at the bottom right says "Activate Windows Go to Settings to activate Windows."

UofA Diagnostic Imaging for MSK Di Applications | University of Alber x +
