SJC PARISHIONER HONORED

Congratulations to Dr. Lorne Zelyck for his election to the "Society of New Testament Studies" *Studiorum Novi Testamenti Societas* (SNTS). This is a profound professional milestone and achievement for Lorne, as SNTS is very selective in its membership. It is the most prestigious scholarly society within his research domain, with only the very best international researchers allowed into its ranks, and only upon the nomination of two members and a vote by all members. Congratulations Lorne!

FORMED TESTIMONIALS

I am still looking for testimonials from people who have found FORMED a valuable part of their spiritual journey. Such testimonials are helpful in encouraging new people to try it out. They also reassure me that people are actually using the program, and that it is therefore worthwhile to keep our subscription active. Directions on how to sign up for FORMED are on the back of this bulletin, on the right hand side.

I hope to measure the use of FORMED in our community before renewing it automatically in September of 2025. Our FORMED subscription is funded by direct donations: to date we have a shortfall of \$662 in the account, as donations have not kept up with the renewal cost.

Thank you to everyone who has donated to this in the past, and especially to those who used the resources provided by FORMED.

CSA APOLOGETICS

The CSA Apologetics group meets every Friday in the SJC Boardroom from 5:00 to 6:00 pm. The aim of the group is to strengthen one's understanding of Catholic teachings and develop the confidence in defending the Faith in today's world. ("Apologetics" means "to defend," not "to apologize for.") See the Bulletin Board for a detailed list of topics.

DID YOU KNOW?

The parking lot behind the women's residence is on "leave alone" during mass times on the weekend for people attending mass to park at. Not on weekdays, though! You'll get a ticket if you park there then.
