

Summer Research Program

Attention Indigenous, racialized and rural students!

Student Applications Open: March 2 - April 1, 2026

Program Runs: July 2 - August 13, 2026

Grade 11 Female and Gender Diverse Students

Are you looking for a unique summer job opportunity? Apply to the WISEST Summer Research Program (SRP), a 6 week **paid** research internship. The SRP will give you a hands-on research experience and a chance to discover STEM careers and your place in them.

You Can Expect To

- Contribute to trailblazing research.
- Join a supportive community of STEMInists.
- Connect with successful STEM professionals.
- Become familiar with academic life at a post-secondary institution.
- Broaden your perspective about innovative STEM careers that solve the biggest challenges facing society.

The program will run in person at the University of Alberta North Campus (Edmonton). A residence program is available for out-of-town students.

We invite applicants from diverse backgrounds and lived experiences, including Indigenous, racialized, and rural students, to apply. To advance equity in STEM, Black and Indigenous students have tailored pathways to participate in our program.

For more info and to start your online application visit: www.uab.ca/WISEST or email us at wisest@ualberta.ca if you have any questions.
