

# Univ. of Alberta Faculty of Engineering

**Instructions:** Please summarize below the content of the Individual Development Plan (IDP) e.g. that you developed as part of ENGG 601. Be sure to submit both the IDP and this form for review. Master's (M.Sc. and M.Eng.) and Ph.D. students must respectively submit within 12 and 18 months of starting their programs. If you are an M.Eng. student and do not have a capstone supervisor, please either consult with the Associate Chair Graduate of your department and/or select a career mentor through the U. Alberta Career Centre (\$75 fee). For all other students, please submit to your research/capstone supervisor.
