Sponsorship Opportunities

ECE Graduate Studies O

ECE graduate students work with facilities, and can pursue Master of Science (M.Sc.) or Philosophy (PhD) degrees. A joint M.Sc./Ph.D. degree is also offered in co-operation with the Faculty of Science. The length of a degree is two years, but length can vary based on the student's progress.

Graduate students are an integral part of the department. The experience will be different for each student, but all graduate students will be different. The experience will be different for each student, but all graduate students will be different.

ECEGSA Introduct

We are a group of new Electrical and Computer Engineering students who exist in bringing together students from different departments. The Electrical and Computer Engineering Graduate Students Association (ECEGSA) also exists in bringing together students from different departments. The Electrical and Computer Engineering Graduate Students Association (ECEGSA) also exists in bringing together students from different departments.

ECEGSA Events at

ECEGSA is actively arranging events for its members. The Electrical and Computer Engineering Graduate Students Association (ECEGSA) also exists in bringing together students from different departments. The Electrical and Computer Engineering Graduate Students Association (ECEGSA) also exists in bringing together students from different departments.

ECEGSA Website

The screenshot shows a web browser window with the URL www.ece.ualberta.ca/~ecegsa/. The page features a blue header with the ECEGSA logo and the text "ELECTRICAL AND COMPUTER ENGINEERING GRADUATE STUDENTS' ASSOCIATION". A navigation menu includes "Home", "Our people", "Events", "Archives", "Our Sponsors", and "Links". The main content area is divided into two columns. The left column has a "Welcome" section with a paragraph about the association's mission and an "About Us" section with a paragraph about the organization's goals. The right column has a "Recent News" section with a "News" link and social media icons for Facebook and Twitter. The footer contains contact information for the Electrical and Computer Engineering department and a copyright notice for 2012-2020-2018.
