

Credit Card Journal Entry Request

Use of the CCJE form

1. To request a speed code correction to transactions on an approved Credit Card Statement report.
2. Adjustments between operating funds are greater than \$250 per line; or any value on research funds.
3. Expense type (account code), GST amount and GST code on original report cannot be modified or adjusted.

Employee ID	Claimant Name	Original CrCard Report ID	New Journal Report ID

Adjust all transactions from the original speed code on the incorrect Credit Card Statement to the new speed code below.
 Adjust the speed codes for the specified expenses indicated below.

New Speed Code	Expense Type (Description)	Total Expense Amount
Total Debits		

Provide a Reason for the Adjustment
