GENERAL FACULTIES COUNCIL  
Roles and Responsibilities of Members

Introduction

General Faculties Council (GFC) is the principal academic decision-making body of the university. It is established in the Post-Secondary Learning Act (PSLA) and given authority, subject to the Board of Governors, over the academic affairs of the university.

For GFC to be successful in fulfilling its terms of reference and meeting its responsibilities to the university it depends on the active engagement of its members. GFC has delegated much of its authority for routine matters to standing committees allowing GFC to engage in high level strategic and stewardship policy issues. GFC members have the opportunity to serve on the standing committees that approve matters with the delegated authority from GFC.

GFC operates under the principle of collegial academic governance including:
- A commitment to inclusive and participatory governance decision-making
- A desire to facilitate meaningful individual-level engagement in governance processes
- A commitment to openness, transparency, and respectful communication
- A commitment to responsiveness, respect, and reciprocity between governing bodies and between governing bodies and university administration
- A commitment that, regardless of their membership category, all members of GFC are afforded the same rights to participate within the body

Roles and Responsibilities of Members

   1.1 Members should understand that not all matters under GFC jurisdiction will come before that body for approval. Some decisions are made at the standing committee level as GFC has delegated authority to approve and report on actions taken on certain matters.

   1.2 The university operates in a bicameral governance system. Members should understand the distinction between the role and responsibilities of GFC and the Board of Governors.
