This document replaces previous versions of terms of reference, including General Faculties Council Policy Manual Section 42.2.

Chairs’ Council Terms of Reference

Background:
As approved by the Board of Governors on the recommendation of General Faculties Council, the Council of Department Chairs, also known as Chairs’ Council (CC) is an advisory body to the President, the Board, General Faculties Council (GFC) and Deans’ Council, and has such powers, duties and functions as may be delegated to it.

Membership:
In addition to Chairs, CC includes the following members:

*Ex-officio*
- The President, who chairs the Council
- The Provost and Vice-President (Academic) (vice-chair)
- The Vice-Presidents
- The Deputy Provost

*Non-Departmentalized Representatives*
- The Dean of each non-departmentalized Faculty will appoint a representative of the Faculty to Chairs’ Council for a two-year term.

Meetings
Chairs’ Council normally meets at least three times per academic year, though additional meetings may be called as needed. Meetings are coordinated by the Office of the Provost and Vice-President (Academic). The agendas for Chairs’ Council meetings are set and approved by the chair, with input from the Chairs’ Council Executive.

Once per academic year, Chairs’ Council will meet with the Chairs’ Council Executive, without Ex-Officio members present. The agenda for this meeting is set by Chairs’ Council Executive. This meeting normally takes place in the Fall term, and is scheduled with support from the Office of the Provost and Vice-President (Academic).
Chairs’ Council Executive Terms of Reference

Chairs’ Council Executive (CCE) is comprised of elected representatives of Chairs’ Council. CCE is an advisory body to the Provost and Vice-President Academic. CCE provides strategic academic and administrative advice to the Provost and a forum for collegial information exchange and issue resolution. Any member of Chairs’ Council may submit an item to CCE for discussion, and may request that CCE raise that item with University administration through the Provost’s Advisory Committee of Chairs (see below).

CCE provides advice and input on the preparation of the Chairs’ Council meeting agendas.

CCE is authorized to act on behalf of CC. Consequently, CCE seeks additional input from CC when required, and reports back to CC when appropriate.

CCE coordinates the appointment or election of representatives of Chairs’ Council to other bodies, including General Faculties Council, in accordance with the terms of reference of those bodies. The Office of the Provost will provide support to these processes, as requested.

Membership

CCE is comprised of 15 members of CC, elected (by CC members) for two-year terms. Twelve members will be elected by CC from nominees taken from Department Chairs; the other three will be elected by Chairs’ Council from nominees taken from non-departmentalized Faculty representatives. With delegated authority from Chairs’ Council, CCE elects a chair or co-chairs of CCE for one year term from within its membership. The chair of CCE may act as Chair of Chairs’ Council in the absence of the President and Provost.

Elections

The Office of the Provost will coordinate elections for membership of Chairs’ Council Executive. Sitting Chairs’ Council members may be nominated by other members of CC or may nominate themselves. CCE members are eligible for re-election. Elections will normally take place in the summer; however, periodic elections during the academic year may be required to replenish membership.

Meetings

Chairs’ Council Executive normally meets once a month between September and June. Meetings are coordinated by the chair of CCE.
Provost’s Advisory Committee of Chairs Terms of Reference

The members of Chairs’ Council Executive also serve as members of the Provost’s Advisory Committee of Chairs (PACC).

PACC is advisory to the Provost and Vice-President (Academic) on emerging issues and initiatives relating to faculties and administrative units reporting to the Provost and Vice-President (Academic). PACC will consider and provide advice on matters referred to it from the Provost and from Deans’ Council, Chairs’ Council, and Chairs’ Council Executive.

Membership

Ex-Officio

- Provost and Vice-President (Academic) (Chair)
- Deputy Provost (Vice-chair)
- Other Vice-Presidents (by invitation)

Members of Chairs’ Council Executive.

The Provost, in consultation with the Chair(s) of CCE, may appoint additional members to PACC to ensure balance and a diversity of representatives on the committee. These individuals would then also be added to the membership of CCE.

Meetings

PACC will normally meet once monthly throughout the academic year (September – June). Meeting schedules are set by the chair. PACC agendas will be approved and set by the chair, with input from the chairs of CCE. PACC meetings are coordinated by the Office of the Provost and Vice-President (Academic).
Terms of Reference

Modified and adopted unanimously November 18, 2014 by Chairs' Council

The Council of Department Chairs, also known as Chairs' Council (CC) is an advisory body to the President, the Board, General Faculties Council (GFC) and Deans' Council, and has such powers, duties and functions as may be delegated to it. [GFC Policy Manual 42.2.3]. In addition to Chairs, CC includes such other officers as may be designated by the Council of Department Chairs [GFC Policy Manual 42.2.1c]. CC shall elect its own Chair and Executive Officers for such terms as it may choose [GFC Policy Manual 42.2.2]. Effective 2015 CC may invite representatives from each non-departmentalized Faculty, selected by that Faculty, to sit on CC. CC may authorize its Executive to act for the Council as a President's Advisory Committee of Chairs (PACC) [GFC Policy Manual 42.2.4], which was renamed in 2014 to the Provost's Advisory Council of Chairs. This delegation is ratified annually upon election of Chairs Council Executive members.

Chairs' Council Executive (CCE) is an advisory body to the Provost and Vice-President Academic comprised of elected representatives of Chairs Council. CCE provides strategic academic and administrative advice to the Provost and a forum for collegial information exchange and issue resolution.

- CCE is comprised of 15 members of CC, elected (by CC members) for two-year terms. Three of these members will be elected by CC as a whole, from nominees from non-Departmentalized Faculty who are sitting on CC. The other 12 will be elected by CC as a whole from nominees taken from Department Chairs.
- Sitting CC members may be nominated by other members of CC or may nominate themselves.
- CCE members are eligible for re-election.
- Each year, when CCE members are elected, CC delegates to CCE its responsibility to select the CCE Chair, who may also serve as Chair of Chair's Council in absence of President or Provost.
- CCE is authorized to act on behalf of CC. Consequently, CCE seeks additional input from CC when required, and reports back to CC when appropriate.
- CCE communicates with the Provost via PACC which meets monthly (September through June). Normally, two scheduled PACC meetings each year involve the full CC. CCE meets one additional time each month (September through June).
- CCE will meet once a year with CC independent of CC meetings with the Provost/President, though possibly in advance or arrears of the President’s or Provost’s arrival or departure from a CC meeting, respectively.
- CC members will be invited to submit items that they would like CCE to discuss, and perhaps bring to PACC.
- If no nominations are received for positions reserved for Chairs on University-level committees, CCE will be asked to identify a representative to serve on these committees. [passed by CC, June 4, 2002].
